It's a Dirty World. Get Fierce.

Let's face it—life gets messy. When the grime gets tough, you don't need a wimpy wipe that will let you down. You need something bigger. Stronger. Fiercer. You need Crocodile Cloth®.

Crocodile Cloth® is the toughest disposable cleaning cloth on the planet, to attack industrial-size messes in any habitat, from household spills to workplace disasters. Our unique formula devours grease, grime, grit and gunk and absorbs gloppy messes on contact so you can clean up in a single swipe. This is a cloth that works as hard as you do, so you can handle whatever life throws at you.

- Super-size cloths (15 x 10 inches) for faster, easier cleanup—as much as 3X larger than standard wipes!
- Highly absorbent, low-lint nonwoven material collects and retains dirt like a microfiber cloth.
- Non-drying, alcohol-free formula is savage on dirt but gentle on hands, with aloe and vitamin E to condition skin.
- Safe for use on nearly all surfaces, including plastic, vinyl, metal, wood, bamboo, leather, carpets and fabrics.
