

GOOF Off Pro Strength Remover cuts through the toughest spots and stains quickly. It works the first time to remove what ordinary cleaners can't handle. Use it to eliminate costly messes and mistakes around the garage, workshop and home. It works faster and better than other removers! It's the Miracle Remover! **FOR USE ON:** Baseboards, metals, glass, brick, wood, concrete, grout, fiberglass, hand tools and most automotive surfaces. Also safe on fully cured varnished and oil-based painted surfaces. Also works on Graffiti, Gum, Crayon, Candle Wax, Bugs & Tree Sap*. **DIRECTIONS:** Always use safety goggles. People with sensitive skin should use solvent resistant gloves. Apply to a cloth, then blot or rub lightly until spot is removed. You may need to rework some surfaces to renew gloss. **CAUTION:** Always test on an inconspicuous area first, as every hard surface is different. Damages many plastics, worn vinyl floors, some automotive paints, and some carpets. *Regulations only allow use on painted automobile surfaces.

General Purpose Adhesive Remover 20% VOC.

DANGER! EXTREMELY FLAMMABLE. KEEP AWAY FROM HEAT, SPARKS, FLAME AND ALL OTHER SOURCES OF IGNITION. VAPORS MAY CAUSE FLASH FIRE OR IGNITE EXPLOSIVELY. Extinguish all flames and pilot lights, and turn off all stoves, heaters, electric motors and all other sources of ignition during use and until all vapors are gone. Do not smoke. **USE ONLY WITH ADEQUATE VENTILATION TO PREVENT BUILD UP OF VAPORS.** Do not use in areas where vapors can accumulate and concentrate such as basements, bathrooms and small, enclosed areas. If using indoors open all windows and doors and maintain a cross ventilation of moving fresh air across the work area. If strong odor is noticed or you experience slight dizziness - STOP - ventilation is inadequate. Leave area immediately. **If THE WORK AREA IS NOT WELL VENTILATED, DO NOT USE THIS PRODUCT.** A dust mask does not provide protection against vapors.

DANGER! HARMFUL OR FATAL IF SWALLOWED. VAPOR HARMFUL. EYE IRRITANT. Contains Acetone and Xylene. Reports have associated repeated and prolonged overexposure to solvents with neurological and other physiological damage. Intentional misuse of this product by deliberately concentrating and inhaling vapors can be harmful or fatal. Avoid contact with eyes and contact with skin. Avoid breathing of vapors or mist and contact with skin, eyes and clothing. Do not take internally. **WARNING:** Using this product will expose you to chemicals which are known to the State of California to cause cancer and reproductive harm.

FIRST AID: **If SWALLOWED,** do not induce vomiting. Call your poison-control center, hospital emergency room or physician immediately for instructions. **In CASE OF EYE CONTACT,** immediately flush with water, remove any contact lens, continue flushing with water for at least 15 minutes. If irritation persists, get medical attention. **In CASE OF SKIN CONTACT,** immediately wash with soap and water. If irritation persists, get medical attention. **KEEP OUT OF REACH OF CHILDREN.**
