

lifeproof™

Exclusively at THE HOME DEPOT®

Waterproof Carpet Cushion

Waterproof

Lifeproof™ cushion repels water with advanced technology

Impermeability means surface-to-surface protection

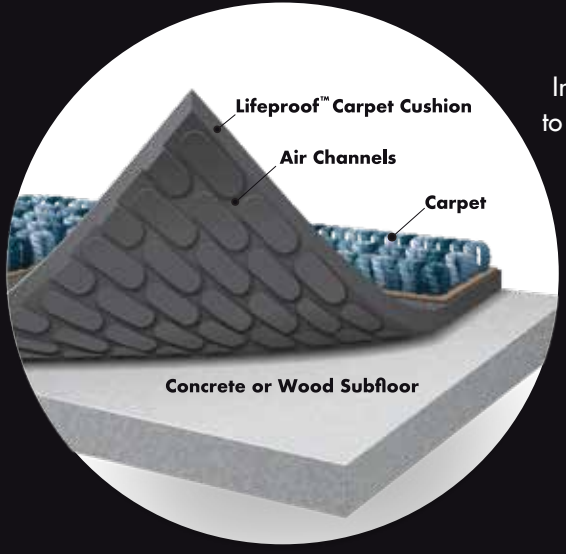
Lifeproof™ cushion doesn't act like a sponge and won't hold onto moisture, which can stain carpets over time

Air Channels

Keeps subfloors dry

Keeps carpets fresh

Extends the life of the carpet



Eco-Friendly

Family and pet friendly

Infused with antimicrobial treatment to inhibit the growth of odor-causing mildew, mold and fungus

Made from non-toxic polyethylene

Comfort

Ultra-shock-absorbing cushion is easy on feet and joints

Provides thermal insulation

For use with any carpet

lifeproof™

Waterproof Carpet Cushion

Provides **superior** impact and airborne sound absorption when compared to traditional carpet cushions

IIC 93

Impact Insulation Class
represents the reduction of impact sound

STC 60

Standard Transmission Class
represents the reduction of airborne sound

ΔIIC 48

Delta Impact Insulation Class
measures the difference between the impact of sound on a concrete subfloor compared to a concrete subfloor with carpet cushion installed
