Hammers

Designed with more than strength in mind, Crescent's hammer lineup have revolutionized the striking game.

CRESCENT TOOLS

MORE THAN TOUGH

MORE THAN TOUGH

Tough gets the job done.
Smart gets the job done right.

You're more than just a hired hand. And these are more than just hammers built tough.

Built with revolutionary features, Crescent's entire lineup of best-in-class hammers are tough enough to get the job done but smart enough to help you get the job done right every time. Allowing you to work smarter and harder on the job site.

Steel Framing Hammer

Available in 22 oz. smooth or milled face or 28 oz. milled face.

VibeGuard™ Vibration Control System

Utilizes vibration dampening slot technology, coupled with a vibration control handle made from proprietary materials to minimize vibration when striking **by 70%.**

Textured Fawn's Foot Grip/Tether Ready

Ergonomically sound and sure grip.

Optimized Strike Face

15% larger bell to minimize mishits, and optimizes market leading power to weight performance.

Magnetic Nail Starter

Stronger, faster way to one-handed nail set.

Fiberglass General Purpose Hammer

Available in 16 and 20 oz.

VibeGuard™ Vibration Control System
Utilizes vibration dampening slot technology, coupled with a vibration control handle made from proprietary materials to minimize vibration when striking by 70%.

Optimized Strike Face
With 15% larger sweet spot to prevent miss hit and provide greater impact.

Textured Fawn's Foot Grip
Gives users an ergonomically sound and sure grip on the hammer.

Permabond™ Connection
Proprietary head attachment process provides best-in-class pull-off prevention (Fiberglass handled hammers).

15% LARGER SWEET SPOT | OVERSTRIKE PROTECTION | NAIL STARTER | CHFGP16

Wood Framing Hammer

Hickory Wood Handle
Helps dampen vibration upon impact. Canifornia-style design.

Double Pegged Connection
Industry-leading head attachment process provides best-in-class pull-off prevention.

Optimized Strike Face
With 15% larger sweet spot to prevent miss hit and provide greater impact.

Fawn's Foot Grip
Gives users an ergonomically sound and sure grip on the hammer.

15% LARGER SWEET SPOT | 2X MAXIMUM DURABILITY | NAIL STARTER | CHFRAM22

Fiberglass Drilling Hammer

Available in 2 and 3 lb.

Extreme Overstrike Protection
Heavy duty, over-sized protective sleeve to prevent damage due to overstrike.

Textured Ambidextrous Grip
Gives users an ergonomically sound and sure grip on the hammer. Hang hole for convenient storage.

Waffled Strike Face
For increased demo effectiveness. Opposite side is smooth for traditional drilling applications.

OVERSTRIKE PROTECTION | DEMO FACE | STRIKING FACE | CHFDRL48

MORE THAN TOUGH

Strength is nothing if you don't have the brains to use it right. That's why for over 100 years, we've been designing tools that are as smart as they are strong. **Just like you.**
