Anvil™

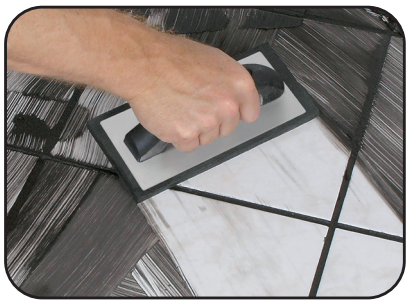
4" x 9" Grout Flooring Float

10062ANV

ERGONOMIC
Contoured D handle fits in hand

EASY TO CLEAN
Rinse with hose or in clean water after each use

RESISTS STICKING
Closed cell foam rubber pad resists sticking



Use to smoothly apply grout to floor and wall tile

The ANVIL™ 4" x 9" Economy Grout Float forces grout in between tiles for complete coverage. This grout float features a foam pad. The contoured, rigid, plastic handle and plastic back plate makes this float easy to use.
