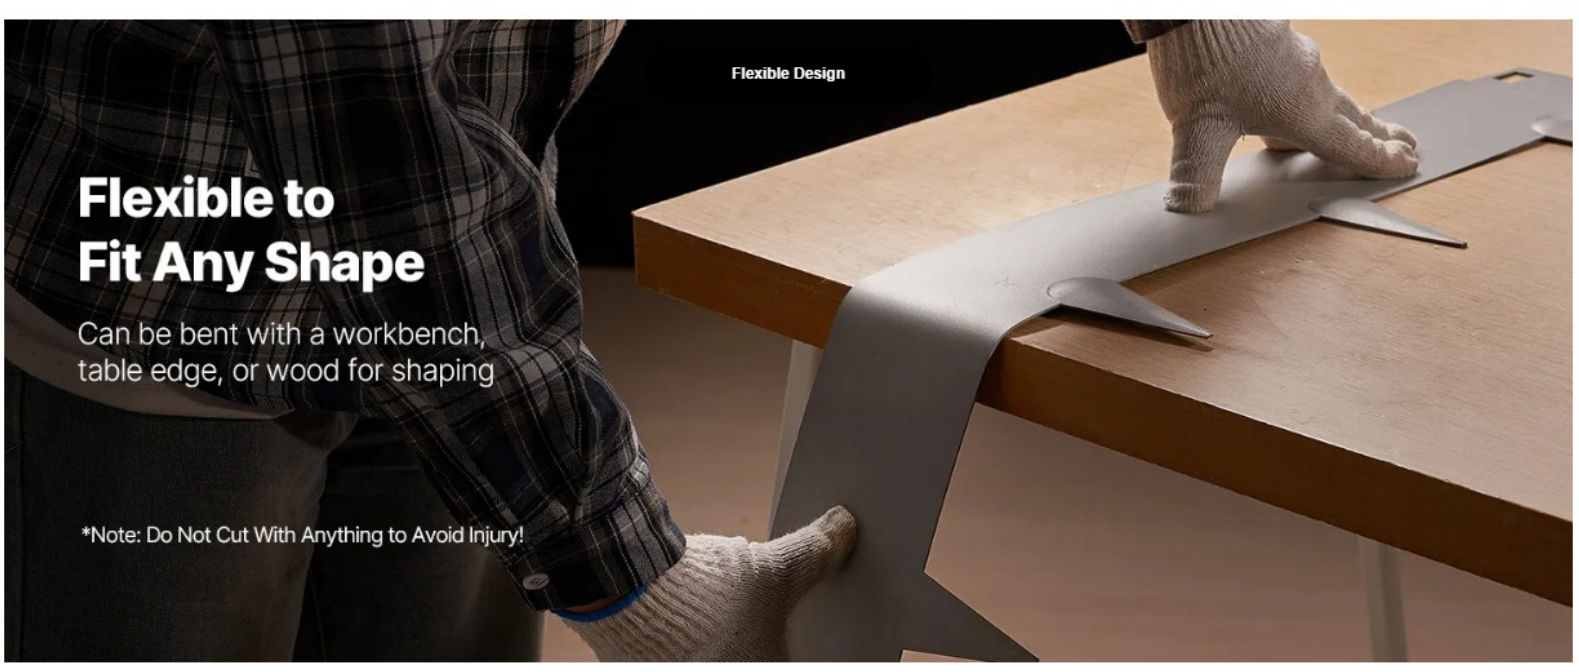
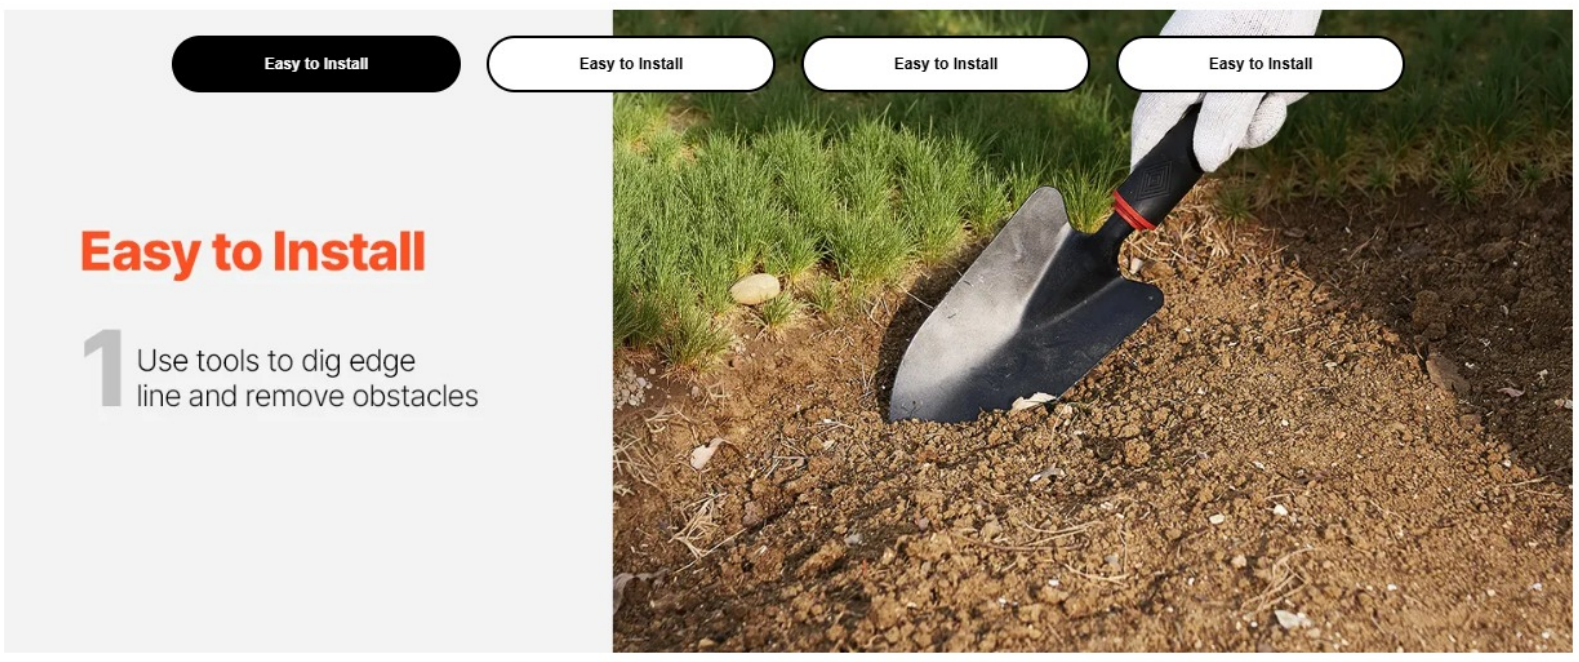
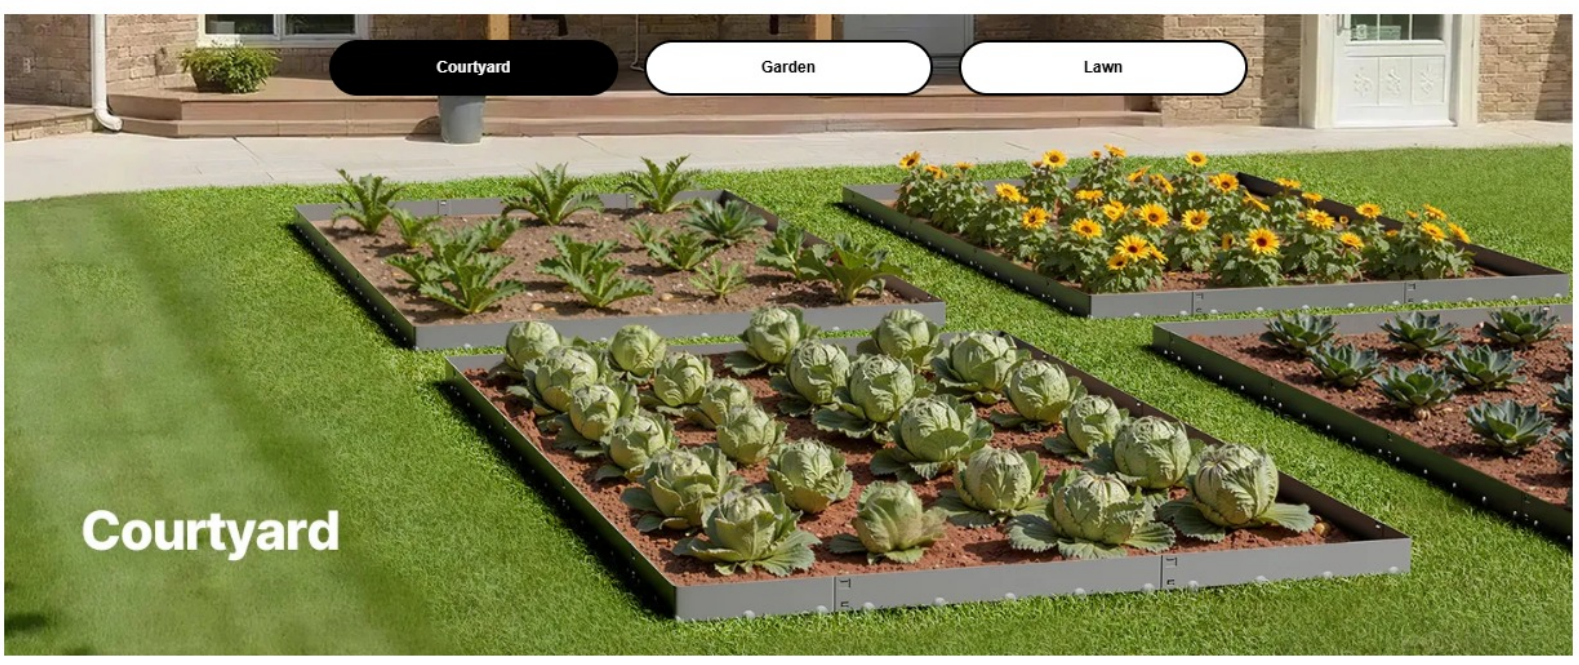
Metal Landscape Edging: Organize and Beautify Your Landscape

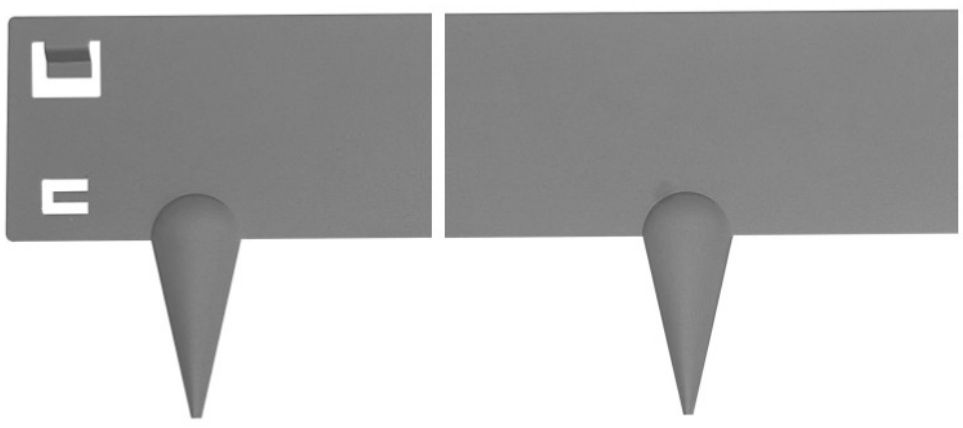
Made from galvanized steel with rust-resistant powder coating, our metal landscape edging is built to withstand conditions. Easy to install and flexible enough to bend into any shape, it' ideal for creating borders in gardens and roadsides. An effective solution to keep your landscape neat.







Key Features



Corrision-Resistant

Made from galvanized steel with rust-resistant powder coating, our metal landscape edging is built to withstand conditions.

Longer Spikes

The extended spiked design ensures easy installation by helping the barrier penetrate the ground with less effort.

Gloves Included

The metal landscape edges comes with gloves that ensures security.
