Cut Backerboard Indoors
(And still keep your job!)

Combining our patented precision-engineered shear head with a powerful 6.5 amp motor, the Snapper Shear SS424 powers through fiber-cement backer-board for fast clean cuts. With quiet operation and no airborne dust, it's the perfect solution for indoor work, plus it beats score & snap methods hands-down. Get the original. Get Snapper Shear.

Snapper Shear SS424 Backerboard Shear

- *Cuts 1/4" & 1/2" Hardibacker®*
- *Dust-free indoor/outdoor operation*
- *Faster and easier than score-and-snap*
