Why do **I NEED IT**

- Prevent water damage
- Reduce repair time and costs
- Reduce insurance claims
- Early leak detection
- Optional water sensor alerts to the presence of a leak
- Prevent mold and mildew growth
- One-time expense to continuously protect cabinetry
- Conceal old damage when repair isn't an immediate option

Different **HOW**

- Xtreme Mats contain more than 3 times the amount of liquid than any comparable mat of the same size can contain.
- Our mats are flexible and designed to fit standard base cabinets.
- There is no VOC or off-gassing from our mats, which means no smelly cabinets.
- Angled side and rear walls are flexible to ensure a snug fit.
- Easy to clean, just use a mild soap and water.
