ITEM DETAILS:

Flow into your space with style and grace with our Casablanco Arabesque 9 in. x 10-3/4 in. Glossy Marble Mosaic Tile. The intertwining white and gray marble ties together modern design with "old-world" curves for a naturally classic look. Perfect for kitchens, bathrooms, backsplashes, and accent walls. For natural stone collections, it is highly recommended to blend products from multiple cartons to ensure a proper uniform look. All issues pertaining to shade variations should be addressed before installation. A natural look penetrating sealer is recommended and should be used before and after grouting. Sealing before grouting will ease the cleaning process and will reduce the possibility of staining from colored grouts. Sealing after grouting will ensure that both the grout and natural stone are protected from daily use. It is recommended that the sealer manufacturer's recommended maintenance regimen be followed as part of an ongoing care during the lifetime of the product.
