PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed or absorbed through skin or inhaled. Avoid contact with eyes, skin or clothing. Avoid breathing dust. It is recommended you wear a dust/mist filter when applying granules. Wash thoroughly after handling. Do not eat, drink or smoke while using product. Remove contaminated clothing and wash clothing before use.

FIRST AID

IF SWALLOWED: Call a Poison Control Center or doctor for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a Poison Control Center or doctor. Do not give anything to an unconscious person.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

IF IN EYES: Hold eye open and rinse at a steady, mild stream for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for further treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call a Poison Control Center or doctor for further treatment advice.

ENVIRONMENTAL HAZARDS

To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or waterways. Apply this product only as specified on this label. Do not apply this product in a way that will contact unprotected persons or domestic animals. Do not allow this product to contaminate food or feed. Use this product only in accordance with its labeling and with the Worker Protection Standard, 40 CFR Part 170 if it is applied on agricultural establishments or greenhouses. Spray drift may cause injury to sensitive plants. Do not apply when weather conditions favor drift from treated areas. Do not apply when winds are in excess of 10 mph. Do not apply when weather conditions favor frost formation. Do not apply when weather conditions favor fog or when fog is present in the application area. Do not apply when weather conditions favor temperature inversions. Do not apply when weather conditions favor precipitation. Do not apply when weather conditions favor high humidity. Do not apply when weather conditions favor dew. Do not apply when weather conditions favor any combination of these conditions. Do not apply when weather conditions favor any combination of these conditions. Do not apply when weather conditions favor any combination of these conditions
