LED FIXTURE

SPECIFICATIONS

The Feit Electric S9DFL/850/DD/BZ/V1 Dual Head Flood Light provides added function to any exterior residential or commercial area. This 5000K natural daylight LED is wall or eave mountable, with tool free, self-locking adjustable heads that can rotate 180 degrees. Built-in photocell sensors automatically turn lights on at dusk and off at dawn, saving on energy costs. Sturdy construction along with UV-protected shatter resistant lens also provide enhanced durability to ensure long life for the fixture. LED technology offers evenly distributed 2000 lumens of light with average life of 50,000 hours / 17 years.
