POWERFUL FORMULAS • SAFER PRODUCTS
A COMPLETE CLEANING SYSTEM
to deodorize and optimize your washing machine
REMOVES BUILDUP
Over time, excess detergent and hard water minerals build up in the internal components of the machine. Lemi Shine® Washing Machine Cleaner eliminates odor-causing buildup for cleaner, fresher smelling clothes.
MACHINE WIPES
Uniquely formulated to remove and prevent odor causing residue from door gaskets, dispensing reservoirs and other machine surfaces.
All ingredients in the product meet U.S. EPA Safer Choice criteria. For a complete list of ingredients and what they do, visit www.lemishine.com/ingredients.
