

# SPLASHBACK TILE

## Specification Sheet

### Specchio Mirror Mosaic Series

Mirrors add light, shine, and sparkle. It also adds the illusion of space. These versatile tiles help create an elegant, custom look for any decor. You can also add an artistic and dramatic flair to the room. The mesh backing not only simplifies installation, it also allows the tiles to be separated which adds to their design flexibility. Please note this tile is not recommended to install in a pool or shower. Mirror glass mosaics are not resistant to alkali and water. Due to the nature of glass, a slight amount of variation in color and size can occur from lot to lot.
