| Classification                      |   |            |  |
| Acute toxicity - Oral               |   | Category 4 |  |
|                                     |   |            |  |

| Acute toxicity - Oral                     | Category 4  |
|---|-------------|
| Acute toxicity - Inhalation (Vapors)      | Category 4  |
| Acute toxicity - Inhalation (Dusts/Mists) | Category 4  |
| Skin corrosion/irritation                 | Category 2  |
| Serious eye damage/eye irritation         | Category 2A |

Reproductive toxicity

Category 1A

This is a battery. In case of rupture: the above hazards exist.

Appearance Solid

Physical state Solid

Odor None

## GHS Label elements, including precautionary statements

## Danger

## Hazard statements

Harmful if swallowed Harmful if inhaled Causes skin irritation Causes serious eye irritation May damage fertility or the unborn child

## **Precautionary Statements - Prevention**

Obtain special instructions before use

Do not handle until all safety precautions have been read and understood

Use personal protective equipment as required

Wash face, hands and any exposed skin thoroughly after handling

Do not eat, drink or smoke when using this product

Avoid breathing dust/fume/gas/mist/vapors/spray

Use only outdoors or in a well-ventilated area

# **Precautionary Statements - Response**

IF exposed or concerned: Get medical advice/attention

Specific treatment (see supplemental first aid instructions on this label)

## Eyes

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing If eye irritation persists: Get medical advice/attention

### Skin

IF ON SKIN: Wash with plenty of soap and water

If skin irritation occurs: Get medical advice/attention

Take off contaminated clothing and wash before reuse

# Inhalation

IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing **Ingestion** 

### ingestion

IF SWALLOWED: Call a POISON CENTER or doctor/physician if you feel unwell Rinse mouth

# Precautionary Statements - Storage

Store locked up

# Precautionary Statements - Disposal

Dispose of contents/container to an approved waste disposal plant

# Other information

Unknown acute toxicity 94.7 % of the mixture consists of ingredient(s) of unknown toxicity

55.4 % of the mixture consists of ingredient(s) of unknown acute oral toxicity

94.7 % of the mixture consists of ingredient(s) of unknown acute dermal toxicity

 $61.5\ \%$  of the mixture consists of ingredient(s) of unknown acute inhalation toxicity (gas)

61.5 % of the mixture consists of ingredient(s) of unknown acute inhalation toxicity (vapor)

61.5 % of the mixture consists of ingredient(s) of unknown acute inhalation toxicity (dust/mist)

# **3. COMPOSITION/INFORMATION ON INGREDIENTS**

### Substance

Not applicable.

|                       |   |                              |            |                                     |                                |                                       |               |                 |

Other Exposure GuidelinesVacated limits revoked by the Court of Appeals decision in AFL-CIO v. OSHA, 965 F.2d<br/>962 (11th Cir., 1992). See section 15 for national exposure control parameters.

### Appropriate engineering controls

| Engineering controls | Showers              |
|----------------------|----------------------|
|                      | Eyewash stations     |
|                      | Ventilation systems. |

| Eye/face protection            | If splashes are likely to occur, wear safety glasses with side-shields.   |
|--------------------------------|---|
| Hand protection                | Wear suitable gloves. Impervious gloves.  |
| Skin and body protection       | Wear suitable protective clothing. Long sleeved clothing.   |
| Respiratory protection         | No protective equipment is needed under normal use conditions. If exposure limits are exceeded or irritation is experienced, ventilation and evacuation may be required.  |
| General hygiene considerations | Handle in accordance with good industrial hygiene and safety practice. Do not eat, drink or smoke when using this product. Wash hands before breaks and immediately after handling the product. Wear suitable gloves and eye/face protection. Avoid contact with skin, eyes or clothing. Avoid breathing dust/fume/gas/mist/vapors/spray. |

## 9. PHYSICAL AND CHEMICAL PROPERTIES

### CWA (Clean Water Act)

This product does not contain any substances regulated as pollutants pursuant to the Clean Water Act (40 CFR 122.21 and 40 CFR 122.42)

### <u>CERCLA</u>

This material, as supplied, does not contain any substances regulated as hazardous substances under the Comprehensive Environmental Response Compensation and Liability Act (CERCLA) (40 CFR 302) or the Superfund Amendments and Reauthorization Act (SARA) (40 CFR 355). There may be specific reporting requirements at the local, regional, or state level pertaining to releases of this material

### US State Regulations

### California Proposition 65

This product does not contain any Proposition 65 chemicals.

### U.S. State Right-to-Know Regulations

This product may contain substances regulated by state right-to-know regulations.
