## Waterproof Terms and Conditions

Manufacturer warrants that for the above-described limited warranty terms the Laminate Flooring will resist damage due to everyday household/localized water spills. This warranty does not apply to any damages caused by, but not limited to, flooding, leaking pipes or other fixtures, appliance leaks, improper cleaning or maintenance, and negligence. All spills must be cleaned immediately and thoroughly. Damage due to water must be evident and measure at least 2 square inches (13cm<sup>2</sup>) per flooring plank. Walk-off mats must be used at all entrances and maintained to limit exposure.

Laminate Flooring is, by nature, made of wood and other materials that can be damaged by water if improperly installed or maintained. This laminate flooring has been specifically engineered so that as an installed flooring system it will remain topically waterproof in the way that it

will specifically resist the ability for water to penetrate below the decorative surface and cause irreparable damage under normal circumstances.

THESE WARRANTIES ARE STRICTLY LIMITED TO THEIR TERMS AND ARE IN LIEU OF ALL OTHER WARRANTIES OR GUARANTEES, EXPRESSED OR IMPLIED, ARISING BY OPERATION OF LAW, OR COURSE OF DEALING, USAGE OF TRADE OR OTHERWISE, AND THEY SPECIFICALLY EXCLUDE ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

## General Terms and Conditions

If the product wears through, fades or stains, or displays damage from topical moisture, as purchaser's sole and exclusive remedy, and the manufacturer's only obligation for breach of warranty hereunder, the manufacturer will repair or replace, at its option and in its sole discretion, the affected flooring material that fails, provided that purchaser meets the criteria outline under the "Filing A Claim" section listed below.

Surface wear must be evident, measuring at least 2 square inches (13cm<sup>2</sup>) and not be the result of any items listed in the "Warranty Exclusions" section listed below. Surface wear must also be greater than 3/16" from any plank edges. Loss or change of gloss is not surface wear.

This warranty includes the repair or replacement of defective material only, exclusive of all labor charges. If the manufacturer determines in its sole discretion that such repair or replacement is not reasonably achievable, the manufacturer may choose to refund the purchase price of the affected flooring material at a pro-rated value, see section on "Pro Ration of Warranty" listed below.

Should the original floor design be discontinued, the manufacturer will replace the defective material with one of equal or greater value at its sole discretion.

## Filing a Claim

Following the discovery of a defect, the original purchaser must notify the manufacturer within 30 days of said discovery. Proof of purchase, such as a bill of sale, is mandatory when requesting warranty service. The manufacturer's personnel must be granted access to inspect the product claimed to be defective at the site of its installation or use and may remove samples for analysis.
