

GET PLAYFUL WITH COLOR

Light up your everyday life with SPEX Smart Fixtures that allow you to seamlessly control your lights through the WIZ app on your smartphone or tablet from anywhere. Create scenes, timers, and much more with color to bring excitement into every room of your home.

Create a stunning ambience for any evening from a game night, to a romantic dinner. The WIZ app offers 16 million colors and a selection of specially curated Dynamic Light Modes so you can easily integrate color into your life.

SLEEP WELL

Feel and sleep better with this default well-being option, which slowly transitions from bright daylight to dim warm white from morning to night.

SET THE SCENE

Create the perfect room atmosphere just like a lighting designer. Take a picture and bring the scene back again with your voice or clicking a snapshot.
