STAINLESS STEEL

FOOD-GRADE STAINLESS STEEL

Food-grade Stainless Steel

The whole body of this steam table food warmer is made of stainless steel. All parts that contact with food are made of food-grade stainless steel. Anti-deformed.

3-WELL DESIGN

3-Well Design

This powerful commercial steam table can hold 3 food pans, 20.8"x12.6" (530x320mm) in size, 20L (5.3 gals) in volume. Various food can be put separately. Lids included for better insulation effect.

INDIVIDUAL TEMPERATURE CONTROL

Individual Temperature Control

3 rotary knobs are equipped for convenient and individual control of the temperature. Temperature range: 30-100°C (86-212°F).

FAST HEATING

Fast Heating

The imported stainless steel u-shaped heating tube adopts three-dimensional heating, with high-temperature circulation, being able to achieve efficient heat transfer.

FOLDABLE SIDE-TABLE

Foldable Side-table

A side-table gives you a little extra workspace (46"x7") for placing all kinds of dishes or changing out food pans. It can also be folded up to save space.

PRACTICAL UNDER SHELF

Practical Under Shelf

The durable under shelf is great for storing extra serving utensils, food pans, lids, and more to keep food and all the tools you need close at hand.
