

Janet Craig Dracaena

Sunlight

Low to bright indirect light
- Avoid direct sun

Water

Let top 2 inches dry between waterings. Do not let plant sit in water.

Pet Friendly

Can be toxic if ingested

Mature Size

Height: 2-9'
Width: 1-3'

Air Purification

Excellent – removes multiple airborne toxins

Plant Hardiness

Outdoor: Zones 10-12
Indoor: ANY ZONE

Indoor Care Tips

Use a bark based or peat soil mixture in a well draining pot

Outdoor Care Tips

- Plant in well-draining area; in-ground or a planter
- Bring indoors when temp goes below 65° F

Expert Advice

- Loves humidity
- Relatively pest resistant - mealy bugs can be cleaned off with rubbing alcohol and cotton
