

WARRANTY

Please keep your sale receipt as this will be required for any claims under this Warranty.

For the purpose of this Warranty, HUROM Warranties the motor of Hurom Slow Juicer ("Product") for a period of ten (10) years and the other parts of the Product for a period of two (2) years from the date of purchase only by the original purchaser ("Purchaser") when used as specified in product documentation such as the user manual and any other included materials describing the use and operation of the Products ("Documentation"). This Warranty is only valid for the Product purchased and used only in the USA by the Purchaser and shall not extend to any Products not purchased in the USA.

During this Warranty period, if in the unlikely event the Product no longer functions due to a design or manufacturing fault, Hurom will undertake within the Warranty period to repair or replace the Product or faulty part(s).

This Warranty does not cover faults or damages resulting from normal or excessive wear and tear, acts of god, misuse or negligence in operation or care, commercial use, alteration of the Products, improper or faulty repair of the Products, non-HUROM parts, or connection to electric or other current/voltage other than that marked in the instruction manual.

The rights under this Warranty shall not extend to the Products where the model number or serial number has been removed, replaced, altered or rendered illegible, or Products not purchased from an authorized HUROM retailer.
