

CLEVIS PIN

INSTALLATION INSTRUCTIONS

 **WARNING:** Read and observe all warnings, instructions, and capacity limitations before using this product. Failure to comply with this warning and the associated instructions and capacity limitations may result in serious personal injury and/or significant property damage.

1. With pin holes aligned insert a Clevis Pin of a corresponding diameter, into the holes so that the end is completely out of the other side, exposing the Clevis Pin hole.
2. Insert the straight leg of the Hitch Pin Clip into the Clevis Pin hole until it can go no further.
3. It is now ready for use.
4. Check to see if the Clevis Pin and Clip are still secure after each usage.
