HAWKRIDGE™

THE RIGHT SURFACE FOR THE RIGHT REASONS

HIGH-QUALITY QUARTZ

At Cambria, we start with only the purest white quartz, transforming one of Earth's hardest minerals into exceptionally beautiful and durable surfaces that resist scratches and chips.

INNOVATIVE DESIGNS

We offer the broadest and most innovative design palette in the industry, with new designs added regularly.

LOW MAINTENANCE AND STAIN RESISTANT

Cambria quartz surfaces will never need sealing, reconditioning, or polishing. Simply wash with warm water, a soft cotton cloth, and mild soap, if desired. They are also nonabsorbent, so spills won't become stains.

SUPERIOR SERVICE

We are committed to providing the best experience in the industry. From first look to final touch, our extraordinary service lasts long after installation.

TRANSFERABLE FULL LIFETIME WARRANTY

Cambria quartz surfaces are backed by a transferable Full Lifetime Warranty. Transferable means the coverage is passed on to anyone who purchases the home. A warranty this strong can add to the value of your home.

AMERICAN MADE

Every Cambria quartz surface is made in America at our family-owned facility where quality is controlled from start to finish.

A CURATED PALETTE

We have curated a palette of innovative designs that can be found at The Home Depot. This versatile offering allows you to bring the beauty of Cambria into your next home renovation project.
