We love the versatility of the Bravo™ Smart Oven since it lets you air fry, bake, roast, broil, toast, and even keep your food warm once it's done cooking. Between its .7 cubic foot capacity and 12 presets the Bravo™ Smart Oven offers premium cooking capabilities in a best-in-class countertop oven.

Product Features:

- .7 cu ft. Air Fryer Toaster Oven
- Digital time and temperature controls (Up to 99hrs) (100°F - 450°F in 5° increments)
- 12 Presets Include; Air Fry, Re-heat, Waffle, Bake, Roast, Pizza, Broil, Frozen, Grill, Dehydrate, Toast, Bagel
- Independently controlled Top(2) and Bottom(2) heating elements
- 1800 Watts
