- *7-ft. tall with 16.4-ft. heat radius*
- *Battery ignition start with low to high heat control*
- *Flux: 450g/hr.-945g/hr.*
- *CSA design certified*
- *Assembly required*

PATIO HEATER COVERS

Protect your patio heater from the elements with a durable, weather-protective cover. Designed specifically for Hanover patio heaters, this cover provides extra protection from rain and UV harm. Each cover is made out of polyurethane, which is a strong, yet lightweight material. When not in use, simply place the cover over the unit and pull it down into place. It will cover the heater from top to bottom for full protection.
