

Product Features / Technical Data

Ideal for any small space where cold storage is needed, the Whynter 3.0 cu. ft. upright freezer can also be used in the kitchen, offices, garages or basements. This space-saving compact upright freezer is designed with a flush back, allowing it to fit cleanly against the wall or into corners. The Whynter 3.0 cu. ft. upright freezer features a black reversible-swing door, adjustable temperature control, and a lock for securing the contents. As an ENERGY STAR rated appliance, this upright freezer will help you keep your energy costs down while providing efficient freezing solutions.

- Black reversible-swing door and black cabinet
- Powerful compressor cooling
- Equipped with 3 fast freezing coil shelves (not adjustable)
- Mechanical temperature control
- Recessed handle provides a flush finish with the door
- Temperature Range: -11°F - 10.4°F
- One removable slide out basket shelf
- Cylinder lock and two keys
- Freestanding setup (clearance around the unit is needed)
- Manual Defrost

TECHNICAL DATA

MODEL :	CUF-301SS /CUF-301BK
Storage Volume	3.0 cu. ft.
Temperature Control Range	-11°F - 10.4°F
Net Weight	54.9 lbs
Gross Weight	62.6 lbs
Unit Dimensions	33.5" H x 19.5" W x 21" D
Packaging Dimensions	21" W x 23" D x 35" H
Refrigerant	R600a
Estimated Yearly Electricity Use	240 kWh
Noise Level	≤42dB
Certification	Energy Star rated
UPC	852749006993 / 852749006191
