KUT THE KRUDI!

Krud Kutter Latex Paint Remover is a biodegradable solution that easily removes fresh or dried latex paint and latex enamel. Ideal for cleaning spills, splatters, and overspray on hard or porous surfaces, indoors or outdoors. Use on carpet, tile, laminate or vinyl flooring, clothing, glass, concrete, brick, vinyl and wood siding, marble, stone, and more.

IMPORTANT: Always test first on an inconspicuous area. May dull some surfaces including varnished or coated surfaces. Not recommended for leather.

DIRECTIONS: Fresh Paint: Wipe or blot up excess paint. Apply Latex Paint Remover to rag or directly to fresh paint and wipe up. For carpet, cloth, or porous surfaces, wait one minute before wiping. Repeat as necessary. Rinse with damp cloth when finished. **Dried Paint:** Apply to dried paint and wait 3-6 minutes or until paint loosens. Wipe with a clean cloth or towel. (A brush may be required on porous surfaces such as concrete or brick). Repeat if necessary. Rinse surface with water when finished.

DANGER! CONTAINS: Acetone, Dipropylene Glycol n-Propyl Ether and Ethoxylated alcohol. Harmful if swallowed. Vapor harmful. May affect the brain or nervous system causing dizziness, headache or nausea. Causes eye, skin, nose and throat irritation. **Notice:** Reports have associated repeated and prolonged occupational overexposure to solvents with permanent brain and nervous system damage. Intentional misuse by deliberately concentrating and inhaling the contents may be harmful or fatal. Keep away from heat, sparks and flame. Prevent build-up of vapors by opening all windows and doors to achieve cross-ventilation. **Use only with adequate ventilation.** Do not breathe vapors. Ensure fresh air entry during application and drying. If you experience eye watering, headache or dizziness leave the area to obtain fresh air. Avoid contact with eyes, skin or clothing. Wash thoroughly after handling.

FIRST AID: If you experience difficulty in breathing, leave the area to obtain fresh air. If continued difficulty is experienced, get medical attention immediately. In case of eye contact, flush immediately with plenty of water for at least 15 minutes and get medical attention; for skin, wash thoroughly with soap and water. If swallowed, do not induce vomiting. Get medical attention immediately. For product health information, call: 847-367-7700.

KEEP OUT OF REACH OF CHILDREN.

SATISFACTION GUARANTEED: If you are dissatisfied with this product, contact Rust-Oleum Product Support at 800-466-7126 for product replacement or a full refund of the purchase price. Refer to product number and batch code.
