ORDER CANCELLATION, RETURN, AND POST-DELIVERY POLICY

To ensure timely processing and fast production across all made-to-order cabinetry orders, the following policies apply:

Order Cancellations

- **Semi-Custom Orders:** Semi-Custom cabinetry is built to order and moves into production quickly. Because of our fast manufacturing timelines, semi-custom orders cannot be cancelled after 72 hours once submitted. After this point, production begins and the order cannot be canceled
- **Express Orders:** Express orders follow an accelerated made-to-order timeline and cannot be cancelled once submitted

Post-Delivery Inspection

Upon delivery, customers have 30 days to report any damage or missing items. We encourage prompt inspection so we can resolve any issues quickly and efficiently.

Return Policy

If you need to return an item, you may do so within 30 days of receiving your order. Please note that customers are responsible for return freight costs and a 30% restocking fee.

Eligibility for Returns

Returned items must meet the following conditions:

- Items must not have been installed or modified
- Items must be in sellable condition
- Items must be packaged as they were originally received

Once returned items arrive at our facility, we will inspect them. If the items are in sellable condition, we will arrange a refund of the item cost, minus the 30% restocking fee and return freight.

HOME DECORATORS COLLECTION

KITCHEN & BATH CABINETRY

The Best Value in Cabinetry

Our cabinets save you up to 44% compared to other plywood brands.

✓ **Free All-Plywood Cabinet Construction**

Our cabinets are 4x stronger than particle board. Others charge an additional 25%.

✓ **Free Soft-Close Doors & Drawers**

It's the quiet (little) things that make all the difference; others charge an upgrade fee per cabinet.

✓ **Free Solid Hardwood Dovetail Drawer Boxes**

Our carpentry joints produce a strong, solid drawer box. Don't settle for weak stapled or glued construction.

✓ **Free Premium Painted Finish**

No extra fees for a premium painted finish; the competitor's upgrade is our standard.

✓ **Free Design Services**

Ask your Home Depot Kitchen Designer, or scan this QR code for more details.

✓ **NEW Free Depth Modifications**

Increase or decrease our standard cabinet types in 1" increments. Others charge an upgrade fee per modification.

STANDARD CABINET CONSTRUCTION

1	INTERIOR	Natural birch finish that provides a durable, wipe clean surface.
2	FACE FRAME	1½" wide x ¾" thick solid hardwood and pocket screwed.
3	END PANELS	½" thick CARB2 compliant plywood finished to match the cabinet face frame.
4	FLOOR & CEILING	½" thick CARB2 compliant plywood. Both sides are captured by the cabinet end panels.
5	BACK PANELS	½" thick CARB2 compliant plywood with a natural birch finished interior and raw exterior. The "clipped" back panel on corner cabinets is ¼" thick CARB2 compliant plywood.
6	"I-BEAM" SUPPORTS	½" thick CARB2 compliant plywood. These full-depth braces provide stability and support for countertop attachment.
7	ADJUSTABLE SHELVES	¾" thick CARB2 compliant plywood with a natural birch finish and matching edge banding. Shelves are full-depth and have a 15 lb. per sq. ft. weight capacity rating.
8	SHELF SUPPORTS	Clear, high-strength plastic shelf supports with a locking top tab help prevent shelf tip.
9	DOORS	Stylish, full-overlay doors available in all collections.
10	HINGES	Fully concealed soft-close 6-way adjustable hinges that open 110°.
11	DRAWER & ROLL-OUT GLIDES	Drawers and roll-out trays feature soft-close, full-extension, undermount glides rated for 90 lb. dynamic loads.
12	DRAWERS & ROLL-OUT TRAYS	⅝" thick finger jointed four-sided dovetail box construction, finished with a clear top coat and a ¼" thick CARB2 compliant plywood captured floor.
13	DRAWER FRONTS	Stylish, full-overlay drawer fronts available in all collections. Deep kitchen and vanity drawer base cabinets feature an 8" top drawer front and 10½" bottom drawer fronts.
14	INTEGRAL TOE KICK	½" thick CARB2 compliant plywood unfinished integral toe kick provides solid backing for (MTK8) Matching Toe Kick installation.

CARB2
compliant

Specifications subject to change without notice.

MODIFICATION OPTIONS

FINISHED END OPTIONS

1. All Cabinet Sides are manufactured from ½" thick CARB2 compliant plywood and are finished to match the cabinet face frame.

2. Optional Matching End Panels are ¾" thick overlay panels that match the construction of the door style selected. They are available for standard depth base cabinets (MBEP) and standard depth wall cabinets in three heights (MWEP30, MWEP36, MWEP42). Matching End Panels are packaged separately for field installation. Detailed specs for these items can be found on page 76.

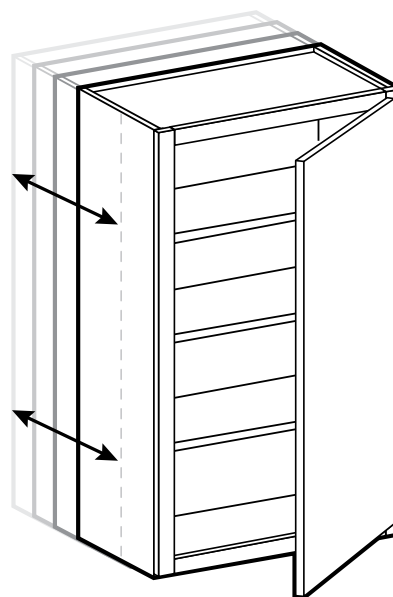

NEW FREE DEPTH MODIFICATION

- Available on standard cabinet types in 1" depth increments
- Base cabinets with drawers that are modified from 15" to 23" deep will include working drawers. 9" to 14" deep cabinets will have no drawer and a false drawer front
- Vanity cabinets can be modified by selecting the standard base version. For example: select BD18 instead of a VBD1821 and modify the depth
- Depth Modification changes need to be added to the cabinet before the order is placed. This can be done in your design program or in the shopping cart

D Depth Modification

CABINET TYPE	DEPTH MODIFICATION MIN-MAX
12" DEEP WALL	5" to 15"
24" DEEP WALL	16" to 23"
STANDARD BASE*	9" to 23"
BASE DRAWER	15" to 23"
TALL UTILITY/LINEN	9" to 23"

*9" to 14" deep cabinets will have no drawer and a false drawer front

MATCHING INTERIOR OPTIONS

Wall Cabinets: Prepped for Glass (PFG)

Found on pages 18-23

- Traditional door frames will be routed and prepped for glass (PFG)
- Clear glass panels will be cut to size and ship separately to the ship-to address for field installation
- It is recommended that the glass panels be installed using clear silicone
- (PFG) cabinet interiors will be finished to match the face frame color, including adjustable shelves
- Not available on RTF or melamine finished door styles

Wall Cabinets: No Doors (ND)

Found on pages 24-29

- (ND) cabinet interiors will be finished to match the face frame color, including adjustable shelves
- Shelf adjustment holes will be visible on the cabinet back and side panels

Base Cabinets: No Doors (ND)

Found on page 47

- (ND) cabinet interiors will be finished to match the face frame color, including adjustable shelves
- Shelf adjustment holes will be visible on the cabinet back and side panels

Tall Cabinets and Vanity Linen Cabinets: Prepped for Glass (PFG)

Found on pages 56-60, 70

- Only the upper door frames will be routed and prepped for glass (PFG)
- (PFG) cabinet interiors will be finished to match the face frame color, including adjustable shelves
- Standard Base, Vanity Base, and lower portion of Tall cabinets are not available for (PFG) as a safety precaution
- Not available on RTF or melamine finished door styles

Tall Cabinets and Vanity Linen Cabinets: No Doors (ND)

Found on pages 61-62, 71

- (ND) cabinet interiors will be finished to match the face frame color, including adjustable shelves
- Shelf adjustment holes will be visible on the cabinet back and side panels

STYLE TIPS

Newport Mythic Blue and Newport Pacific White

Add a new level to your island by using desk height cabinets. These are good for baking areas or a kid's workspace. Use cabinet doors or field trimmable fillers to create a decorative look to the sides of your unique space.

Newport Deep Onyx

Turn your laundry room into a room you enjoy being in! Add a large sink and drawers for easy clean-up and storage. Open shelves give easy access and an open feel to your new space.

Newport Blended Cream

Make wall storage open and airy using a mix of No Door (ND) and Prepped for Glass (PFG) cabinets together with standard wall cabinets.

Newport Mythic Blue and Newport Pacific White

To create the apron under the countertop, turn fillers horizontally and cut to fit on the job site.

Newport Manganite

Want countertop storage that is behind closed doors? Use wall bridge cabinets in 18" high, placed under standard wall cabinets to create this space. You can add dimension to your kitchen by making these cabinets 15" deep, and gain extra storage as well! No door bridge cabinets can help create an open feel to your space. Placing these above a baking area or desk area can give easy access to cookbooks, mixing bowls or nice décor! Make sure to purchase a skin to conceal any seams.

Washington Veiled Gray

Using a full-height door cabinet for your sink base can add a modern twist to your traditional kitchen. Make your new kitchen transitional!

WALL CABINETS

Range Hood Combo - Straight Valance

- Includes Hood, Chimney, Hood Liner and Blower
- Chimney is trimmable to adjust the height
- Blower is 390 CFM, 6.0 sones, enclosed light
- Clearance of 3" on each side is recommended
- Only available in paint or stain, RTF colors will ship as painted or stained finishes.
- Not available in Vanguard Oak (RTF) finish

WRHC36S

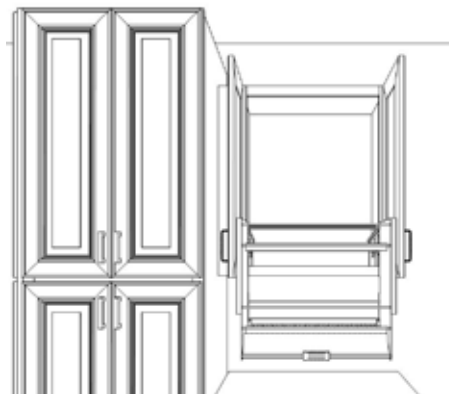

Placing Wall Cabinets Next to a Return Wall

When placing cabinets against a side wall, use a minimum $\frac{3}{4}$ " filler between wall and cabinet to allow doors to fully open.

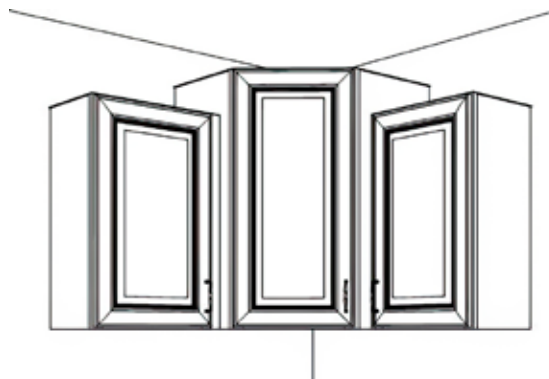

Using Accessories with Wall Cabinets

Make sure to allow proper clearance on each side so doors can open 90 degrees or more. This will allow the interior accessory to pull down correctly.

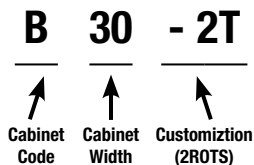

Staggering Wall Cabinets

When using the WA271536/42 corner cabinets, make sure to place a $\frac{3}{4}$ " filler next to adjacent cabinet if the adjacent cabinet is shallower.

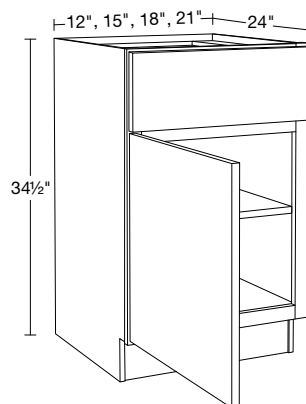

BASE CABINET CODING

- Standard Base Cabinets are 24" deep and 34½" high
- Cabinet depth does not include door thickness
- Products are available in all doors styles unless stated otherwise
- Standard cabinet exterior sides are color matched to face frame
- RTF and melamine door styles require a (Heat_Shield) to protect doors and drawers from heat-emitting appliances. See page 79 for details
- Base cabinets are shipped with an unfinished toe kick. Matching Toe Kick (MTK8) must be ordered separately, and field installed
- **Soft-close hinges and full-extension drawer glides unless stated otherwise**

Using ND Base Cabinets

By modifying the depth of a B24ND down to 12", you can use it on the end of a cabinet run for an interesting transition in the kitchen. This option is shown with a MWEP30 on the exposed side of the ND (no door) cabinet to mimic a finished door.

BASE CABINETS

Designing Around a Range

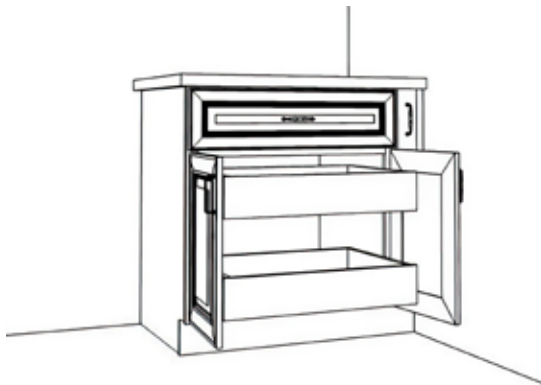

Make sure to give landing space on each side of the appliance when placing in design area.

RTF and melamine door styles require a (Heat_Shield) to protect doors and drawers from heat-emitting appliances. See page 79 for details.

Clearance for Roll-Out Trays

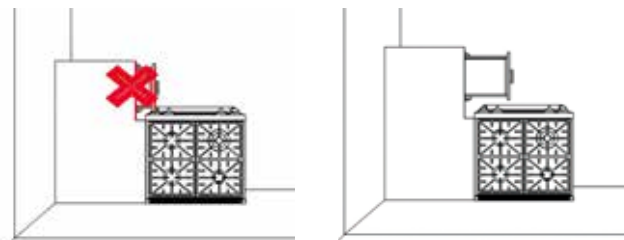

Be sure to leave enough clearance for doors to open at least 90° when placing next to wall or refrigerator cabinet. This will allow the roll-out trays to operate correctly.

Blind Cabinets with Drawers

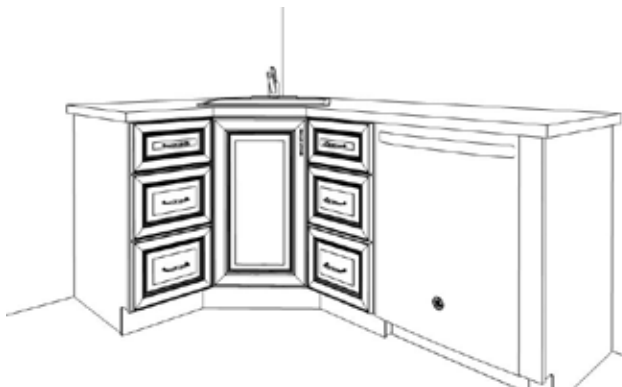

When placing a blind base cabinet, cabinet with drawer or trash pull-out, make sure to allow enough clearance so drawer/pull-out will open fully.

Make sure to leave enough space to allow drawer to open if placing around corner from range or appliance.

Using a Sink Front Angle

For sufficient dishwasher door clearance and loading/unloading space, a 15" wide base cabinet is recommended for use between a corner sink base and dishwasher.

Universal Oven Cabinet

The Universal Oven cabinet will need to be modified on the job site to fit your specific appliance. By removing the drawers and stiles between the drawers, you can achieve an opening height between 21" and 55", and a maximum width of 31". The height of the upper doors will not be affected with these modifications. Your appliance size and the amount of modification required will determine if the drawers will be able to be used. In some instances, the top drawer may be dropped to the bottom position, thus allowing a drawer to remain. Installation and modification of the cabinet is completed on your job site, not in the factory. Support for the appliance is not supplied by the cabinet company and will need to be determined based on appliance manufacture requirement.

- **NEW** FREE Depth Modification: 9" to 23" deep

U242490ND

U242496ND

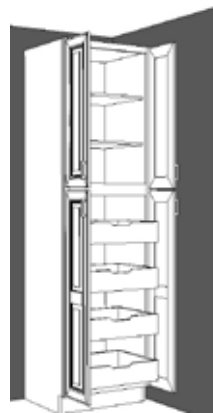

Modify the Depth of a Tall Cabinet

Modify the depth of a 24" wide utility cabinet (U242484, U242490, or U242496) down to 12" and use it facing out next to a refrigerator or another utility cabinet for shallow food storage, storing brooms/mops, or create a hidden message center.

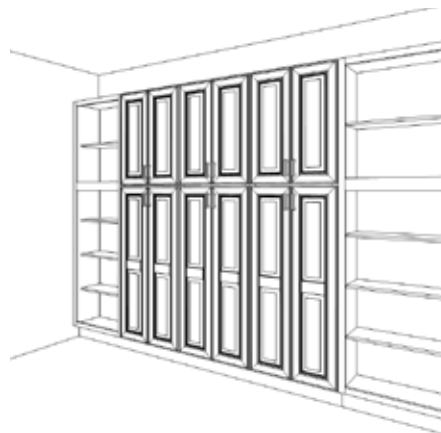

Clearance for Roll-Out Trays

Be sure to leave enough clearance for doors to open at least 90° when placing next to wall or refrigerator cabinet. This will allow the roll-out trays to operate correctly.

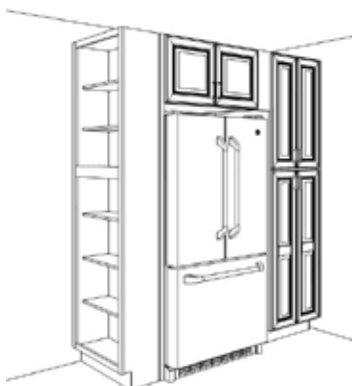

Modify the Depth of a Tall Cabinet

A narrow alcove in your kitchen or a pantry like storage area can be transformed into an entire wall of open and closed storage by using a combination of ND and Standard Tall cabinets with a reduced depth.

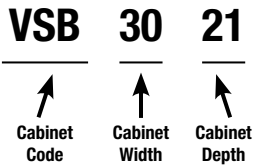

Modify the Depth of a Tall Cabinet

Modify the depth of a 24" wide Utility cabinet with no doors (U242484ND, U242490ND, or U242496ND) down to 12" and use it facing out next to a refrigerator or another utility cabinet for open storage and an interesting transition in the kitchen.

VANITY & DESK CABINETS

VANITY CABINET CODING

- Standard Vanity Base Cabinets are 21" deep and 34½" high

Semi-Custom Kitchen & Bath Cabinetry

Limited Lifetime Warranty

Ideal Cabinetry® (warrantor) warrants to the original consumer purchaser, that all products manufactured or supplied by warrantor will be free from defects in material and workmanship. This warranty is for your lifetime as long as you own the cabinetry, on product used for Residential Purposes only and is not transferable to subsequent owners. Proof of Purchase is required.

This warranty does not cover damage resulting from normal wear, accident, misuse or lack of reasonable and necessary maintenance and service; nor does it warranty the improper installation or unauthorized repair, alteration, or modification or defects in the product when the product is installed. This warranty is limited to the repair or replacement of the defective part at the sole discretion of warrantor. Warranty is limited to Home Decorators Collection branded products excluding all electrical components: Excluded items may carry separate warranties as provided directly by the manufacturer of these products.

It is our option to provide repair parts or replace with functionally equivalent product. Return of product may be required for replacements. Such repair parts or replacement shall be at warrantor's expense, but customer shall bear all other expenses, including, but not limited to, cost of removal, transportation, re-installation, communication and any special service required by customer such as, overtime labor, etc.

Natural woods and finishes vary in color, grain pattern and exhibit color changes over time. Cabinets may darken or lighten with age due to exposure to certain environmental conditions including but not limited to sunlight, moisture, household cleaners, smoke, etc. Painted cabinets may show cracking at seams. These variations are considered the natural characteristics of the material and finishes and are not covered under this warranty.

In the event of a warranted product performance issue, submit request including proof of purchase documentation, specific description of warranty issue (include photos) in writing to:

Warranty Department
210 Century Boulevard
Bartow, FL 33830

Due to nature of materials and finishes Ideal Cabinetry cannot guarantee warranty replacement will be an exact match.

Ideal Cabinetry reserves the right to alter design, specifications and material without obligation to make changes to product previously manufactured.

EXCEPT TO THE EXTENT PROVIDED BY APPLICABLE LAW, ALL IMPLIED WARRANTIES, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE LIMITED IN DURATION TO THE SHORTER OF THE PERIOD PROVIDED BY LAW OR THE PERIOD OF THIS WARRANTY, AND UNDER NO CIRCUMSTANCE SHALL HOME DECORATORS COLLECTION BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES SUSTAINED IN CONNECTION WITH THE PRODUCT. THE EXPRESS WARRANTY ABOVE CONSTITUTES THE ENTIRE WARRANTY AND IS IN LIEU OF ALL OTHERS EXPRESSED OR IMPLIED.

Some states do not allow the exclusion or limitation of incidental or consequential damages, or limitation on how long an implied warranty lasts, therefore, the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state.

INDEMNITY

Ideal Cabinetry shall not be liable for either its failure to perform or its delays in performance hereunder arising out of or resulting from causes beyond its control, including but not limited to, acts of God, acts of Representation, acts of Government, wars, fires, floods, epidemics, quarantine, strike, freight embargoes, weather or default by suppliers due to any such causes.
