

CARD SHUFFLER INSTRUCTION

ALLURES & ILLUSIONS

SETUP:

Once you have opened the card shuffler, remove the clear plastic card tray from its packaging in the center of the shuffler. Next you are going to need to insert **4 AA** batteries into the two batteries sockets on the bottom of the shuffler. Now you are ready for use.

USE:

- 1** Take your deck or 2 of cards and split them into two as close to equal piles as possible for optimal shuffling.
 - 2** Place each half of the deck into the two slots on each side of the shuffler with cards facing down.
 - 3** To initiate shuffling press down on the button labeled "PRESS DOWN TO OPERATE"
 - 4** Hold down the button until the all of the cards have passed through the shuffler into the plastic card tray.
 - 5** Remove the card tray now filled with cards; you may repeat the process as many times as desired.
 - 6** Have fun using your automatically shuffled cards!
