EASY TO USE • PROFESSIONAL RESULTS • OUTSTANDING DURABILITY

BEYOND PAINT® Multi-Purpose SEALER is a safe, water-based, interior/exterior sealer formulated to protect your most challenging BEYOND PAINT® projects. Use on outdoor furniture, countertops, and any project that requires extra-strength durability. Self-leveling for a smooth finish and renewable due to easy touch up technology.

PERFECT FOR:

DRY TO TOUCH
2-4HRS PER COAT

COVERS
100sq FT

EASY TO USE DIRECTIONS:

⊙ BEYOND PAINT® Multi-purpose Sealer may be applied to any BEYOND PAINT® surface that has dried for at least 24 hours. ⊙ Stir thoroughly. ⊙ Roll as many areas as possible (a 3/8" fabric roller is preferred). ⊙ Brush out crevice areas with a high quality synthetic or natural bristle brush. (Note: BEYOND PAINT® Multi-purpose Sealer will roll on milky but dry clear). ⊙ Second coat may be applied after 2-4 hours. ⊙ Allow to dry overnight (minimum 8 hours) before using. ⊙ Reapply BEYOND PAINT® Multi-purpose Sealer as needed.

*Initial curing period is 3 days; during this time standing moisture will cause surface to cloud but will clear when moisture is removed from surface. Allowing each applied layer of BEYOND PAINT® and durability. BEYOND PAINT® Multi-purpose Sealer to dry for as long as possible will add to quick cure time and optimal Protect your BEYOND PAINT® surface from extreme heat and direct cutting as you would on any surface.

EASY CARE DIRECTIONS:

Allow 7 days for paint to fully bond. Maintain thereafter, with mild soap and water. Surfaces may take up to 30 days to fully cure. Keep your BP project away from extreme heat or standing water.

Proper Use and Ingredients- Recommended shelf life of up to 12 months. Use and application of this product are beyond the control of the manufacturer, distributor and dealer. Liability, if any, is limited to replacement of only product proven to be defective in manufacturing.
