

# Anvil™

## 4" x 9" Grout Flooring Float

10062ANV

### ERGONOMIC

Contoured D handle fits in hand

### EASY TO CLEAN

Rinse with hose or in clean water after each use

### RESISTS STICKING

Closed cell foam rubber pad resists sticking

Use to smoothly apply grout to floor and wall tile

The ANVIL™ 4" x 9" Economy Grout Float forces grout in between tiles for complete coverage. This grout float features a foam pad. The contoured, rigid, plastic handle and plastic back plate makes this float easy to use.
