SAFETY PRECAUTIONS

WARNING

Please read and understand this entire manual before attempting to assemble or install this product.

Compare the parts in the box with those on the parts list provided - make sure that none are missing.

Some parts may have sharp edges. Please wear protective gloves when assembling or installing this product.

Choose and measure the location where you intend to place your gazebo - make sure your location is large enough. Choose a large assembly area where you can lay out and pre-assemble all parts for the gazebo.

Children and pets should be kept from your assembly area if possible. Supervise children and pets if they are in the assembly area.

Check all bolts for tightness before use,
and periodically check and tighten bolts as necessary.

General Notes:

- This item is heavy. Please handle it with care. Four or more people are required for this assembly.
- You will need these additional tools: a ladder and an adjustable wrench.
- Once a unit has been pre-assembled in each step, please set it aside until further instructions.
- The assembly process must be completed on a solid surface in strict accordance with the requirements of the instructions.
- You do not need to remove the gazebo in severe weather like rain and snow. However, please clear the roof in time to prevent damage to the frame and iron roof due to heavy snow or heavy rain.
- We care about your experience. Please feel free to contact us if you have any issues or comments. We will try to offer you efficient solutions ASAP.

WARRANTY COVERAGE REQUIREMENTS:

- Pictures of the damaged parts.
- The order number of your product.
- Please gather all of this information BEFORE you contact us.
- Do not use this item in a way inconsistent with the manufacturer's instructions, as this could void the product warranty.
