# Safety Information

## DANGER

- Keep small parts away from children during assembly.
- Read and follow instructions carefully.

## WARNING

- Read these instructions carefully and keep in a safe place.
- TO GUARANTEE THE SAFE USE OF THIS PRODUCT, FOLLOW THE WARNINGS, GUIDELINES AND RECOMMENDATIONS IN THIS MANUAL.
- Adult assembly required.
- Small parts may present choking hazard prior to assembly.
- Do not stand, step or climb on unit.

## CAUTION

- Do not use power tools to assemble your item. Power tools may strip or damage parts/product.
- Do not over tighten connectors (screws, bolts, etc.) Overtightening can lead to product damage.
- Be sure to check all packing materials carefully for small parts that may have come loose inside the carton during shipment. If parts are missing, contact THE HOME DEPOT to obtain any missing parts.
- DO NOT USE SUBSTITUTE PARTS.
- This product should only be used on a flat, level surface.
- Assembly requires 2 people; assembly alone may cause injury.

# Warranty

## 1 YEAR WARRANTY

### WHAT IS COVERED

We guarantee this product to be free of manufacturing defects to the original purchaser for one year.

### WHAT IS NOT COVERED

This warranty does not cover commercial use, acts of nature, and abusive use.

# Pre-assembly

## Maintenance

- If your furniture is stained or otherwise damaged during use, contact a professional for repairs.

## Care and Cleaning

- Use a soft, clean cloth that will not scratch the surface when dusting.
- Use of furniture polishes is not necessary. Should you choose to use polishes, test the polish in an inconspicuous area before using over the entire surface of the product.
- Using solvents of any kind on your furniture may damage the finish.
- Never use water to clean your furniture as it may cause damage to the finish.
- Always use coasters under beverage glasses and flowerpots.
- Liquid spills should be removed immediately. Using a soft, clean cloth, blot the spill gently, avoid rubbing.
- Always use protective pads under hot dishes and plates. Heat can cause chemical changes that may create spotting within the furniture finish.
- Use care as stains or marks from crayons or ink markers will be difficult to remove.
- Be sure to immediately clean red wine or soda stains within 30 minutes or the surface will stain.

## Troubleshooting

PROBLEMS	SOLUTIONS
Not all of the product's legs touch the floor	Make sure adjustable center feet levelers are adjusted properly. The levelers are pre-assembled on the bottom of the legs.
	The product is KD construction. You may need to loosen the bolts and place the product on a flat surface. Ensure that the legs all touch the flat surface and then re-tighten the bolts.
	Loosen all the bolts and apply some weight to the product to get all the feet to touch the floor. Then re-tighten the bolts in that position.
Panel can not be assembled	Make sure panel is on right direction.
Door can not be closed or without magnetic	Adjust the magnetic clamp, make sure it is assembled on appropriate position.
Doors are not flat	Adjust hinges on the appropriate position.
Glide can not be assembled	Make sure the slide piece is at the front end of the glide when installing the drawer into the body.
Drawer can not be removed	When removing the drawer, tip up and press down the safety release tab to remove the drawer from the body.
Drawers cannot pull in or pull out smoothly	Refer assembly instruction details to assemble drawers, and pull in and pull out drawers several times gently.
