

LAWN & GARDEN
HEAVY DUTY
STEEL
GOR1200-COM

Lawn & Garden Collection

Uses: Farm Projects, Hay Bales, Logs

TOUGH & STURDY

The GOR1200-COM Heavy Duty Steel Cart saves time on projects and is easier to unload than traditional wheelbarrow options. The rugged steel frame, 4-wheeled stability and 13" pneumatic tires make the GOR1200-COM able to tackle heavy landscaping or garden projects

TOWABLE HANDLE

Easy grip handle minimizes hand discomfort while the pin-lock mechanism allows the handle to be converted to pull behind an ATV or tractor

SPECIFICATIONS

Load Capacity: 1200lbs/9 cu ft

Bed Size: 30"L x 46"W x 12"H

Wheel Diameter: 13"

PIVOT STEERING

The tight-turn steering is made possible by Gorilla Carts® quick-turn technology, pivoting on a center axis. The pass through design of the front and rear axles allow for maximum ground clearance and easy heavy hauling
