IMPORTANT

⚠ WARNING ⚠

When using electrical appliances, basic precautions should always be followed to reduce the risk of fire, electric shock, and injury to persons. If you are uncomfortable working with electricity, running electrical supply wire or installing a circuit breaker, please consult a licensed electrician. All steps must be followed.

Turn the electrical power off at the electrical panel board (circuit breaker or fuse box) and lock or tag the panel board door to prevent someone from turning on power while you are working on the heater. Failure to do so could result in serious electrical shock, burns, or possible death.

INSTALLATION INSTRUCTIONS

1. Remove thermostat knob (if any).
2. Remove original grille by removing screws. (See Figure 1).

NOTE: Now is the perfect opportunity to clean your heater. See your specific product Owner's Guide. It is recommended to clean the heater every six months, minimum.

3. Attach new grille with screws provided.
4. Attach thermostat knob (if any).

Please see your specific product Owner's Guide for additional installation, operation and maintenance instructions for both grille and heater.

WARRANTY

For more effective and safer operation and to prolong the life of the heater, read the Owner's Guide and follow the instructions. Failure to properly maintain the heater will void any warranty and may cause the heater to function improperly.

LIMITED 90-DAY WARRANTY: Manufacturer will repair or replace any part found to be defective within 90 days after the date of purchase.

These warranties do not apply:

1. Damage occurs to the product through improper installation or incorrect supply voltage;
2. Damage occurs to the product through improper maintenance, misuse, abuse, accident, or alteration;
3. The use of unauthorized accessories or unauthorized components constitutes an alteration and voids all warranties. Refer to website or call customer service at 888-346-7539 for list of authorized accessories and components.
4. Manufacturer's warranty is limited to repair or replacement.

5. In the event Manufacturer elects to replace any part of your product, the replacement parts are subject to the same warranties as the product. The installation of replacement parts does not modify or extend the underlying warranties. Replacement or repair of any product or part does not create any new warranties.

If you believe your product is defective, please contact Manufacturer during the warranty period, for instructions on how to have the repair or replacement processed.
