## *Pancake™* ARBORVITAE

This versatile evergreen shrub keeps a low profile. Its flattened dense habit needs no pruning, and it tolerates full sun and sandy soil. Deep sage green foliage transitions to eye-catching blue in winter. Use this variety to build structure in your landscape or as a year-round focal point.

### USE

Accent, Border, Coastal, Container, Edging, Groundcover, Hedge, Low Hedge, Mass Planting, Retaining Walls, Rock Gardens

### FEATURE

Compact, rounded, low-growing shrub

### GROWTH RATE

Slow

### WATER

Medium

### SOIL

Well-drained garden soil

### FERTILIZE

Fertilize yearly in early spring

### PRUNE

None needed

*Thuja 'Concesarini' PP24013*
