

INSTRUCTION MANUAL

IMPORTANT SAFETY INSTRUCTIONS

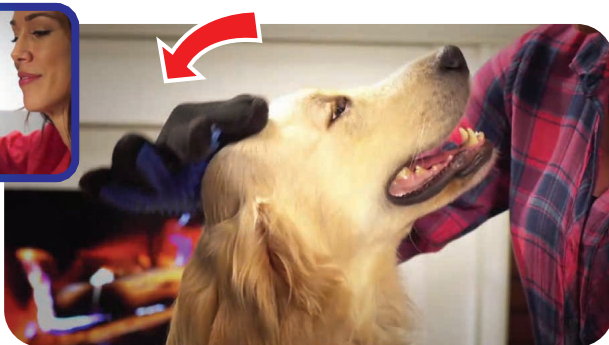

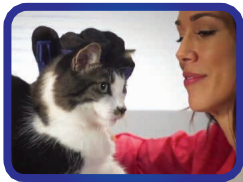

- Use this product only for its intended use as described in this manual.
- Discontinue use if the product is damaged in any way.
- Don't allow your pet to chew on the glove.
- Do not leave glove unattended.
- Before each use, check the glove to be sure it is clean and undamaged.
- Stop using if your pet shows any signs of pain or discomfort.
- **Do not put in washer or dryer.**

USING YOUR TRUE TOUCH® FIVE FINGER DESHEDDING GLOVE

- 1) Put the True Touch® Five Finger Deshedding Glove on and adjust hook and loop fastener.
- 2) Gently run the True Touch® Five Finger Deshedding Glove through your pet's coat. For best results, brush in the direction of fur growth.
- 3) When you're done grooming simply lift the hair off of the grooming area of the glove. You may need to do this multiple times for heavy coats.
