LAMINATE WOOD FLOORS | LUXURY VINYL FLOORS | HYBRID RESILIENT FLOORS

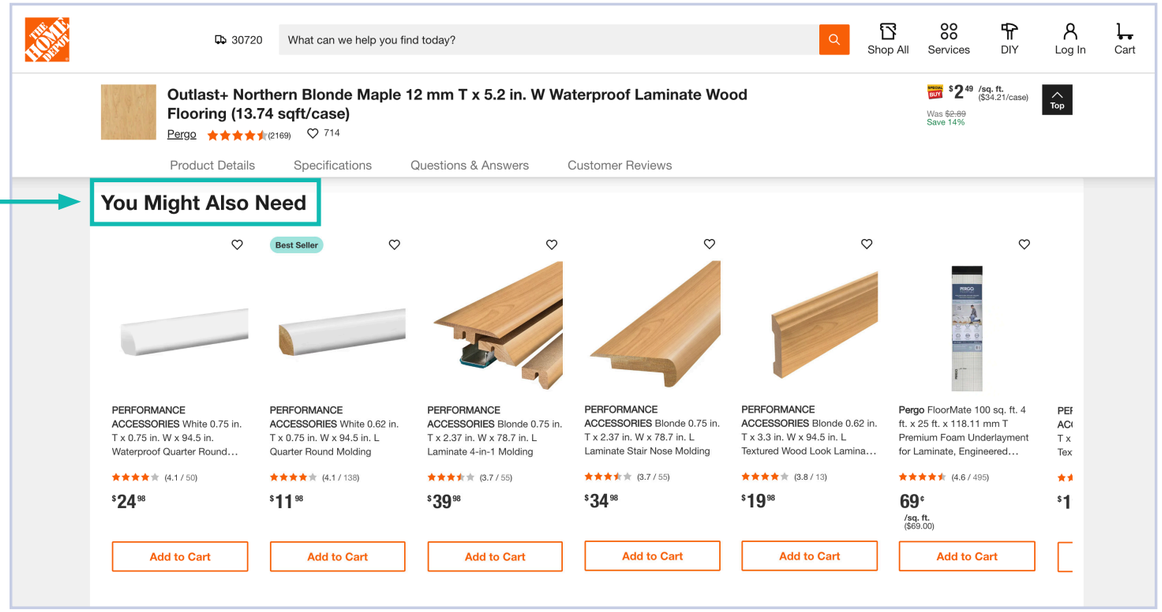

Find the Perfect Molding To Finish Your Floor

This simple chart will help you find the coordinating Performance Accessories® molding color for your new laminate wood, luxury vinyl, or hybrid resilient floors. Just search for the name of your floor or check the *You Might Also Need* section on the flooring page on HomeDepot.com.

PERFORMANCE ACCESSORIES

Performance Accessories moldings are available in several profiles to complete your flooring project.

Use the SKU number listed in this guide to find your coordinating products on HomeDepot.com. Can't find your floor in our chart? No problem. Just check the **You Might Also Need** section of the flooring product page on HomeDepot.com for all the available moldings in that color family. Some laminate wood and vinyl plank floors will work with the same color family, so make sure you are shopping in the appropriate flooring category.

Multifunctional Moldings • Stair Nose • Quarter Round • Wall Base • Stair Tread • And More

PERFORMANCE ACCESSORIES

For a clean and simple look, Performance Accessories quarter round and wall base are available in a traditional white finish.

These moldings work with all floors in this guide. And for waterproof flooring installations, try our waterproof white quarter round to cover expansion gaps around the perimeter of your room. This vinyl quarter round is completely waterproof and will help protect the edges of your floor when installed with a bead of 100% silicone applied between the bottom of the molding and the flooring surface. See flooring install instructions for details.

White Quarter Round

Multifunctional Molding

The All-in-One Molding

Our new multifunctional transitions mean you always have the right piece, even when you're not sure what you will need. One single piece can transform into four different profiles.

- One molding. Four applications.
- Available in laminate wood or vinyl.

Laminate Wood 4-in-1 Transition

Vinyl 4-in-1 Transition

T-MOLDING

Connects two sections of hard surface flooring of the same height.

END MOLDING

Finishes a hard surface floor at a sliding door, fireplace, or vertical surface.

HARD SURFACE REDUCER

Joins two sections of hard surface flooring of different heights.

CARPET TRANSITION

Finishes a hard surface floor where it meets carpet.
