GET A LAWN THAT YOU CAN BE PROUD OF

For over 150 years, Scott's® has helped people get more from their lawn. We've helped parents have lazier Sundays, kids make greener grass stains, and families retain neighborhood bragging rights.

Our expert Turfgrass Scientists are here to help you get the most of your yard with our Root-Building Nutrition – a combination of ingredients that is expertly crafted to help establish deep roots to grow thick, green turf so that you can build a better, stronger lawn from the roots up.

DESIGNED FOR

DROUGHT

DURABILITY

For best results, plant new seed in the Spring or Fall when daily average soil temperatures are consistently between 55°F and 70°F, or air temperatures between 60°F and 80°F.

1 PREP:

NEW LAWN

Rake area to loosen the top layer of soil (approximately 2" deep) and remove any dead grass or debris, ensuring seed-to-soil contact.

OVERSEEDING

Mow lawn at the lowest setting and bag the clippings. Rake to remove debris, dead grass, and loosen the soil, ensuring seed-to-soil contact.

2 APPLY:

NEW LAWN

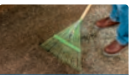

Use a Scott's® Spreader to apply the seed at the recommended spreader setting.

OVERSEEDING

NEW LAWN COVERAGE = 4265 SQ FT
OVERSEEDING COVERAGE = 12800 SQ FT

3 RAKE:

NEW LAWN

Lightly rake the seed into the soil to ensure seed is covered just beneath the soil surface.

OVERSEEDING

<p>NEW LAWN 5 Go-over lawn 3X OVERSEEDING 5</p>	<p>NEW LAWN 10½ Go-over lawn 2X OVERSEEDING 5</p>	<p>NEW LAWN 17½ Go-over lawn 4X OVERSEEDING 14½ Go-over lawn 2X</p>	<p>NEW LAWN 5¾ Go-over lawn 2X OVERSEEDING 4¾</p>	<p>NEW LAWN 8½ Go-over lawn 2X OVERSEEDING 5½</p>

WATER IS KEY TO SEEDING SUCCESS
Follow these steps when watering newly planted grass seed:

- Water daily or as needed to keep the soil surface moist.
- Continue this frequent watering pattern for at least 3 weeks or until seedlings reach 2 inches in height.
- Use auto-timers or other reminders to help ensure no essential waterings are missed.

NO-QUIBBLE - Scott's - GUARANTEE MONEY BACK

SCOTT'S NO-QUIBBLE MONEY BACK GUARANTEE®
If for any reason you, the consumer, are not satisfied after using this product, you are entitled to get your money back. Simply send us original evidence of purchase and we will mail you a refund check promptly.

FRESHNESS MATTERS

Scott's goes to great lengths to bring you the freshest seed available, incorporating everything from the packaging design to the product formula and the seed itself, so you can grow your own thick, beautiful lawn. For best results, always use fresh product. After opening, plant within the season. Store in a cool dry place, out of reach from children.

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.html>

Do not apply near water, storm drains or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn, and sweep any product that lands on the driveway, sidewalk, or street back onto your lawn.

CAUTION: TREATED SEED. This seed has been treated with mefenoxam. Do not use for food, feed or oil purposes. Store away from feeds and foodstuffs. Keep out of reach of children.

Mefenoxam is a fungicide that helps protect seedlings from a harmful disease.

NOTICE: ARBITRATION/CONCILIATION/MEDIATION REQUIRED BY SEVERAL STATES. Under the seed laws of several states, arbitration, mediation or conciliation is required as a prerequisite to maintaining a legal action based upon the failure of seed to which this notice is attached to produce as represented. The consumer shall file a complaint along with the required filing fee (where applicable) with the commissioner/ Director/Secretary of Agriculture, Seed Commissioner, or Chief Agricultural Officer within such a time as to permit inspection of the crops, plants or trees by the designated agency and the seedsman from whom the seed was purchased. A copy of the complaint shall be sent to the seller by certified or registered mail or as otherwise provided by state statute.
