Step 5: Assemble the shelves and drawers according to the user manual's instructions. Make sure they are aligned correctly and fit snugly in place.

Step 6: Attach the built piece to the metal frame according to the user manual's instructions.

Step 7: Hanging Rods Attach the hanging rods at appropriate heights within the closet, ensuring they are level and capable of supporting the weight of your clothes.

Step 8: Secure all Components Double-check all connections and fastenings to ensure stability and safety.

5. Usage Guidelines: The Klair Living Monica/Fiona Closet Set is designed for storing clothes and accessories. To ensure its longevity and proper functioning, please keep the following usage guidelines in mind:

- **Weight Limit:** Be mindful of the weight limit for each shelf (25 lbs per and 40 lbs for the hanging rod). Avoid overloading them, as it may lead to damage or instability.
- **Smooth Operation:** Open and close drawers gently to avoid unnecessary strain on the mechanisms.
- **Even Distribution:** Distribute the weight of clothes and items evenly across the shelves and hanging rods to maintain balance.
- **Clean Regularly:** Wipe down the closet set with a soft, damp cloth to remove dust and stains. Avoid using abrasive or chemical cleaners that may damage the finish.
- **Keep Dry:** Avoid exposing the closet set to excessive moisture or direct sunlight, as it may cause warping or fading.

6. Safety Precautions: Your safety is of utmost importance. Please observe the following safety precautions:

- **Assembly:** Follow the assembly instructions carefully to ensure the stability of the closet set.
- **Tip-Over Hazard:** To prevent tipping, anchor the closet set to the wall using the provided safety brackets or wall anchors.
- **Child Safety:** Keep small parts and hardware out of reach of children to avoid choking hazards.

7. Maintenance: Regular maintenance will keep your Monica Closet Set in excellent condition. Here are some maintenance tips:

- **Check Fastenings:** Periodically inspect all screws and connections. Tighten if necessary.

- Lubrication: Lubricate moving parts, such as drawer slides, with suitable lubricants for smooth operation.
