

**Commercial  
Electric™**

Item #1001863166  
Model #5036-WH

## Installation Guide

Hole Saw Brush Plate

### PACKAGE CONTENTS

- 1 Hole Saw Brush Plate

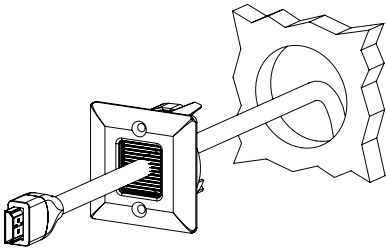

### TOOLS NEEDED

- 1 3/4 in. hole saw
- Phillips head screwdriver

## Installation

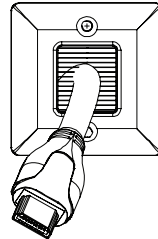

### 1 ROUTING THE CABLES

- After using a 1-3/4 in. hole saw (not included) to drill a hole for your install location, route your cables through the brush opening in the Hole Saw Brush Plate.

### 2 INSTALLING THE PLATE

- Secure the Hole Saw Brush Plate to the wall using a Phillips head screwdriver to tighten the attached screws with wings.

## Safety Information

Please read all instructions and safety information before use.  
Retain this manual for future reference.

**CAUTION:** When using tools always follow the manufacturer's safety guidelines.
