Use and Care Manual

1. Product Description

This 2-pack metal garden trellis set features a decorative bird design with a rustproof black finish. Designed for outdoor use to support climbing plants, vines, and flowers. Each trellis panel measures approximately .

2. Package Contents

- 2 x Metal Garden Trellis Panels
- Mounting Hardware (if included)
- Installation Instructions

3. Specifications

- Material: Black metal with rustproof coating
- Finish: Black powder-coated
- Suitable for: Outdoor use
- Design: Bird decorative pattern

4. Installation Instructions

1. Choose a flat, stable location in your garden or yard.

2. Space trellis panels according to your plant coverage needs.

3. Insert trellis legs firmly into the ground or secure to a wall/fence using appropriate hardware (not included).

4. Ensure trellis is vertical and stable before allowing plants to climb.

5. Use Instructions

- Position trellis where climbing plants can access it naturally.

- Guide plant vines toward the trellis as they grow.
- Do not exceed the weight capacity of the trellis with heavy plants or decorations.
- Suitable for roses, ivy, clematis, and other climbing vegetation.

6. Care and Maintenance

- Clean periodically with a damp cloth to remove dirt and debris.
- Inspect for damage or rust spots annually; touch up with outdoor metal paint if needed.
- During severe weather (strong winds, heavy snow), consider removing delicate plants or securing trellis additionally.
- Store in a dry area if not in use for extended periods.

7. Safety Warnings

⚠️ **CAUTION:**

- Sharp edges may be present. Wear gloves during handling and installation.
- Keep children and pets away during installation.
- Ensure trellis is securely anchored to prevent tipping in high winds.
- Do not use as a ladder or climbing structure for people.
- Maximum Load: Refer to product specifications.

8. Troubleshooting

Issue	Solution
Trellis tilts or leans	Re-anchor deeper into ground or add wall brackets
Rust spots appear	Clean and apply rust-inhibiting outdoor paint
Paint chips or peels	Touch up with matching outdoor metal paint

9. Warranty

Limited warranty against manufacturing defects. Contact seller for warranty claims.
