

Installation Guide

Outdoor garden shepherd hooks for hook stands, wedding decorations, lanterns, flower baskets, bird feeders. Whether in the garden, balcony or any other area, enhance your outdoor space with a variety of decorations that add elegance, romance, magic and vitality to the scene.

The Shepherd's Hook is made of high quality metal with a 5-pin base that keeps the pole firmly standing in the soil. Shepherd's hook bracket is easy to install, just rotate and splice, no other tools are needed.
