HIGH-END APPEARANCE

Trifecta 2.0 has a smooth, clean, and lower profile lines with less stitching. The tarp-tuck integrated corners help keep tarp tension across your entire cover. The heavy duty, leather grained fabric has been tested to withstand the harshest freeze and heat conditions.

EASY TO INSTALL

Simply square up your Trifecta 2.0 on your truck bed and use our Extang Engineered clamping system to attach in seconds. No drilling, no rails, no stress! Installs in less time than it takes to remove it from the box! The most user friendly truck bed cover on the market.

SIMPLE TO USE

Open your tailgate, release our Extang Engineered EZ-Lock Clamps, and fold to cab. These EZ-Lock Clamps retain Extang's exclusive spring tension system, but now require less physical effort and provide added security with revolutionary locking technology.
