The manufacturer will repair or replace, at no charge, excluding labor, any sink that is proven to be defective under normal use. An equivalent replacement will be issued to the original owner provided the defective sink was installed in accordance with the installation procedures, used and cleaned as recommended, and not damaged due to abuse, misuse, or negligence. The manufacturer shall not be liable for any inconvenience or expense for material or labor related to the removal or replacement of a defective sink or for any loss or damage to any person or property whatsoever resulting from the defective sink. All transportation costs to and from the point of purchase will be the responsibility of the purchaser.

Any sink returned must be in the original packaging and include all the accompanying accessories, parts, and documentation. The manufacturer reserves the right to inspect any sink reported to be defective prior to replacement of the sink.

The manufacturer is not responsible or liable for indirect, special, or consequential damages arising out of or in connection with the use or performance of its products and its liability under this warranty is limited to the replacement of the defective material at the location of purchase.

The original dated sales receipt must be retained by the customer and is the only acceptable proof of purchase.
