

# FOUNDATION VENT W/FIXED LOUVER

The Foundation Vent provides a decorative and functional way to vent crawl spaces. The exclusive lock on trim ring speeds installation with any siding: fiber cement, wood, vinyl, aluminum, stucco or hardwood.

## FEATURES:

- New construction or remodeling
- Contoured design helps prevent blowing rain from entering.
- Net Free Area 50 sq. inches
- Molded in screen helps prevent bugs from entering through vent.
- Flanges fold to fit standard 8" x 16" block opening.
- J-Channel eliminated
- Finish trim ring adjusts for a range of siding thickness
