

VEVOR®

AIR HYDRAULIC BOTTLE JACK

32 Ton Lifting Capacity
Dual Operating Method

32 Tons Air Hydraulic Bottle Jack

Manual & Pneumatic Operation & Compact Size

- VEVOR's air hydraulic jack can easily handle lift jobs up to 32 tons/70550 lbs. It is an ideal choice for automotive, heavy-duty truck repair, moving machinery and heavy equipment, and a variety of maintenance applications. An essential tool with many applications. Don't hesitate to get one now!
- 32 Ton Loading Capacity
- 6-3/10" Lifting Range
- Pneumatic & Manual Operations
- Retractable Springs & Sturdy Saddle
- Heavy-duty Steel Structure

VEVOR®

Tough Equipment & Tools, Pay Less

VEVOR is a leading brand that specializes in equipment and tools. Along with thousands of motivated employees, VEVOR is dedicated to providing our customers with tough equipment & tools at incredibly low prices. Today, VEVOR has occupied markets of more than 200 countries with 10 million plus global members.

Why Choose VEVOR?

- Premium Tough Quality
- Incredibly Low Prices
- Fast & Secure Delivery
- 30-Day Free Returns
- 24/7 Attentive Service

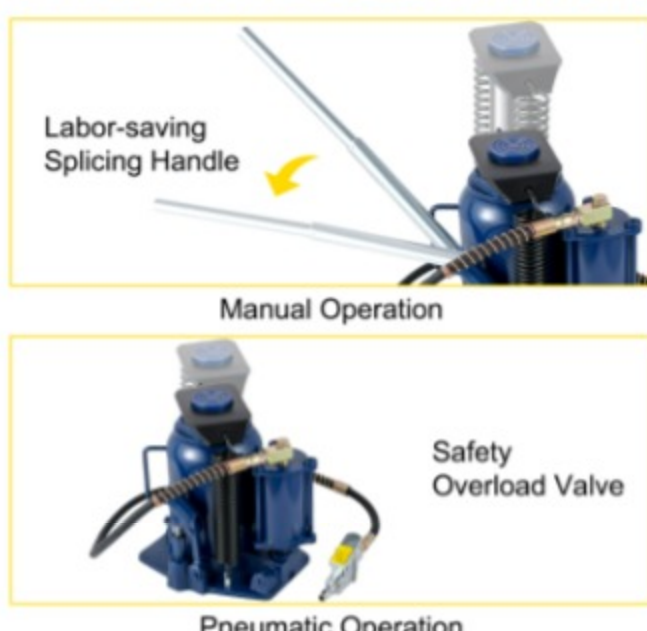

32 TON LOAD-BEARING

32 Ton Load-Bearing

32-ton lift capacity. High strength and wear-proof multi-layer seals ensure excellent sealing performance. The cylinder ram is fully polished, providing a smooth inner wall to reduce friction for extended service life.

LABOR-SAVING DUAL OPERATION

Labor-saving Dual Operation

Manual and pneumatic operation is available. It is equipped with two handles that can be connected for easy manual operation. With hoses and connectors, the air hydraulic bottle jack can be easily connected to an air compressor for quick and automatic lifting.

ADJUSTABLE HEIGHT

Adjustable Height

The height of the 32-ton air bottle jack can be adjusted easily. The wear-proof piston rod can withstand strong pressures. Plus, the head with non-slip design, which allows for stable lifting. Double return spring design, which is quick rebound reaction rebound and labor-saving.

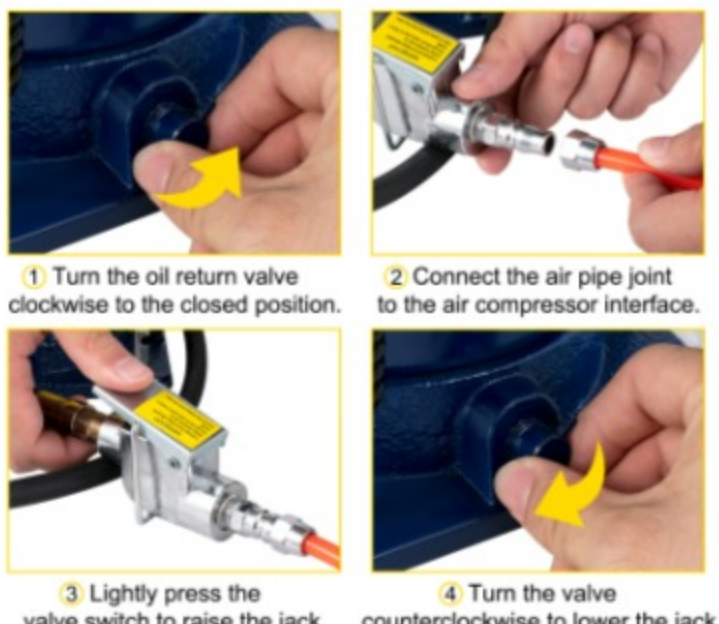

STURDY & STABLE STRUCTURE

Sturdy & Stable Structure

The high lift bottle jack is constructed with heavy-duty steel, and this air hydraulic jack can easily handle heavy loads. The rust-proof surface makes it not easy to wear for prolonged service life. A thick base provides extra stability for lifting. Built-in "D" Side handle for easy carrying of the jack.

SIMPLE OPERATION

Simple Operation

This 32-ton air hydraulic bottle jack is simple to operate; no matter manual or pneumatic operation, it only takes a few steps. Just turn the oil return valve clockwise, connect the air pipe joint to an air compressor, press the valve switch, then the jack lifts.

VERSATILE APPLICATION

Wide Application

This hydraulic bottle jack is designed for the easy lifting of large loads with a 32-ton load capacity, ideal for lifting cars, trucks, RVs, SUVs, heavy-duty machinery, industrial equipment, etc.

Specifications

- Model: QJD-32B
- Material: Steel
- Lift Capacity: 70550 lbs / 32 Ton
- Operation: Air / Hydraulic
- Min Height: 10.4" / 26.5 cm
- Max Height: 16.7" / 42.5 cm
- Lifting Range: 6.3" / 16 cm
- Working Pressure: >100 PSI
- Item Weight: 46.3 lbs / 21 kg
- Size: 9.1" x 7.9" x 10.4" / 23 x 20 x 26.5 cm

Package Content

- 1 x Air Hydraulic Bottle Jack
- 1 x Detachable Handle
- 1 x Rubber Hose
- 2 x Oil Seal
