

# Advanced personal cleansing system that provides superior cleaning and comfort

## Customizable features that fit your personal cleansing lifestyle needs

The ultimate cleansing experience begins with two independent self-cleaning nozzles with four position adjustments for posterior and anterior cleansing. Five level settings for water pressure, water temperature and heated seat temperature allow the freedom to personalize the cleansing experience. Posterior massage oscillation, slow close seat and lid and one-click detachable seat for easier cleaning completes the users ultimate cleansing experience.

### HYGIENIC CLEANSING

**Dual Nozzles**  
Separate Feminine and Posterior Cleansing Nozzles.

**Posterior Cleansing**  
Independent Rear Cleansing.

**Bidet (Narrow/Wide)**  
Independent Front Feminine Cleansing.

**Massage**  
The spray alternates between strong and mild sprays, creating a massaging effect that indulges the user. Posterior spray only.

### COMFORT TECHNOLOGY

**Heated Seat**  
Temperature can be easily adjusted for comfort. There are 5 levels: 3 preset and 2 additional custom settings.

**Spray Strength**  
5 level of adjustments to personalize your cleansing experience. 3 preset and 2 additional custom settings.

**Nozzle Position**  
4 nozzle positions to personalize your cleansing experience. 3 preset and 2 additional custom settings.

**Anti-Bacterial Protection**  
Anti-bacterial properties are applied to the seat, cover, nozzles and control panel to inhibit the growth of bacteria.

**Slow Closing Seat**  
Gentle and quiet closing action for user convenience.

**Deodorizer**  
The deodorizer uses active charcoal to reduce the odors in the bowl. Operation begins once the user sits down on the seat and continues for 5 seconds after the user stands up.

### EASY TO CLEAN

**Self Cleaning Nozzle**  
Nozzles are rinsed with water before and after cleansing.

**Nozzle Shutter**  
The shutter covers the nozzles to prevent waste materials from contaminating the nozzle tips, ensuring better hygiene.

**Quick-Detach Seat Cover**  
1 button push to easily remove the seat cover that allows the user to easily detach the seat for convenient cleaning of hard-to-reach areas.

\*Requires GFCI electrical outlet near the toilet. SpaLet seat cord is 40"
