

Tomcat® Attractant Gel can enhance the effectiveness of any mechanical trap. It has a desirable, gel-like consistency and "no-mess" spout making it the ideal alternative to cheese or peanut butter. Plus, its taste is irresistible to mice and rats while being non-toxic to children and pets.

HOW TO USE

1 Place a small, pencil eraser-sized amount onto appropriate area of trap.

2 Position trap in areas of identified activity.

Monitor traps for activity. Move traps and/or rebait as necessary.

Available Exclusively From:
