

General Guidelines

- It is the user's responsibility to read and follow all instructions.
- Keep these instructions with the product at all times and review before each use.
- It is the responsibility of this product's owner to furnish the instructions to any person that borrows or purchases the product.
- Inspect the product before use to ensure it is assembled properly and all parts are in safe working order and free of defects.
- Never modify this product in any way.
- All circumstances cannot be addressed in these instructions. Please use common sense and practice general safety measures when using this product.
- Parts and/or instructions are subject to change without notice.

Parts

Part	Description	Quantity
A	Left U-Frame	1
B	Right U-Frame	1
C	Left Main Rack Frame	1
D	Right Main Rack Frame	1
E	Frame Support Bar	2

Part	Description	Quantity
F	Spacer Bar	2
G	Bottom Support Bar	2
H	Clip Pin	9
I	Plastic Stopper	4

Assembly

Step 1. Assemble the Left U-Frame (A), Left Main Rack Frame (C), and one Frame Support Bar (E).

- A. Slide the first section of the Main Rack Frame onto the top bar of the U-Frame until it just fits onto the bar. (The bottom of the U-Frame will have a foot.)
- B. Slide the Frame Support Bar onto the top and bottom sections of the U-Frame. The top of the Frame Support Bar has a wing nut and fits between the two sections of the Main Rack Frame. You may need to maneuver the sections in order to fit it into this space. Be sure the wing nut is loose enough to slide the bar.
- C. Continue to slide the Main Rack Frame and Frame Support Bar onto the U-Frame, fitting the second section of the Main Rack Frame onto the top bar of the U-Frame.

Step 2. Connect the bottom of the U-Frame to the bottom of the Main Rack Frame. Fit the Bottom Support Bar (G) into the brackets and secure with two Clip Pins (H).

Step 3. Repeat Steps 1 and 2 to assemble the right section of the bike rack. (Use parts B, D, E, G, and H.)

Step 4. Connect the left and right sections.

- A. To connect the back U-Frame sections, fit one Spacer Bar (F) between the top bars and one Spacer Bar between the bottom bars. Secure with two Clip Pins (H) per bar.

(Step 4 cont.) B. The bottom sections of each Main Rack Frame fit together and secure with a Clip Pin.

C. After the sections are in place, tighten the wing nuts on the Frame Support Bars.

Step 5. Screw the Plastic Stoppers (I) onto the long wing bolts that are on the U-Frames. The bolt and wing nut may need to be adjusted so that there is room to install the stopper. If the bolt is difficult to adjust, it may help to apply some WD-40.

Installation

Set the bike rack in the pickup truck bed and adjust the wing bolts to securely fit the width of the bed, holding the bike rack in place. Make sure the wing nuts are tightened against the frame bar.

Adjust the V-brackets on the Main Rack Frame to support the top of the bike tire. The V-brackets can be loosened or tightened with the wing nut.

*It is highly recommended to use tie-down straps (sold separately) with this product to further secure the bikes.

Product Warranty and Liability

GENERAL PRODUCT WARRANTY: Products purchased from the Authorized Dealer (original place of purchase) or Merchant ("Dealer") will be free of defects in material and workmanship at the time of receipt, and will meet the specifications stated at the place of purchase transaction or online at the Dealer's website, under normal use and service when correctly installed, operated and maintained. This product warranty is effective for the period of time stated below, unless otherwise stated in the product instructions or depicted in the product advertisement. **All Authorized Dealer warranties are NON-TRANSFERABLE** and cover only the original end purchaser. This limited warranty does not cover products purchased through non-authorized dealers. Non-authorized dealer receipts are not accepted for warranty verification.

*****Warranty claims must be made directly to the original place of purchase.*****

WARRANTY PERIOD: This warranty remains in force for one year from the date of the product's accepted delivery. The Authorized Dealer offers a one year manufacturer's warranty for most products unless otherwise specified on the product advertisement.

WARRANTY SERVICE: The Authorized Dealer will replace any defective or malfunctioning part at no charge, including payment of the shipping costs of parts or replacement product to and from the manufacturer. The purchaser is responsible for labor charges. If the product does not meet specifications as depicted in the advertisement, the Authorized Dealer will refund the full purchase price of the product.

Questions regarding the warranty on a specific product and warranty claims should be directed to the Authorized Dealer with whom the purchase transaction was made.

WARRANTY LIMITATIONS: The above warranty does not apply to products that are repaired, modified or altered by any party other than the Authorized Dealer; are subjected to unusual physical stress or conditions (such as overloaded ramps or corrosion), natural disaster, governmental actions, wars, strikes, labor disputes, riots, theft, vandalism, terrorism or any reason beyond reasonable control; are damaged due to improper installation, misuse, abuse, accident or negligence in use, storage, transportation or handling, or tampering; or to products that are considered consumable items or items requiring repair or replacement due to normal wear and tear.

Product should be inspected prior to signing for delivery. Product damage incurred during shipping, unless noted on the Bill of Lading at the time of delivery, renders this warranty void.

LIMITED LIABILITY: In no event shall THE AUTHORIZED DEALER be liable to the purchaser or any third party for any indirect, incidental, consequential, special, exemplary or punitive damages arising out of the use of the product, including, without limitation, property damage, loss of value of the product or any third party products that are used in or with the product, or loss of use of the product or any third party products that are used in or with the product.
