

HANDS-FREE ELBOW PRESS LIQUID/GEL DISPENSER SANITIZER/SOAP 2 pk

The Alpine Industries Elbow Press Liquid/Gel Hand Sanitizer is ideal for use in offices, schools, warehouses, food service facilities, manufacturing, hospitals and much more. It's ADA compliant in force and one-handed operation, making it accessible to people with disabilities. Made with heavy duty durable stainless steel construction that is resistant to chemicals, heat and impact, this product is made to provide long-lasting strength and use, ideal for low-traffic areas such as office restrooms, kitchens, break rooms and lunchrooms. Top dispensing technology reduces risk of leaking valves. Easy operation for improved hand hygiene. Quiet, powerful battery-operated dispenser uses four C batteries (not included) for longer life. Equipped with a large site window so you can easily monitor the soap level refill when needed, also keeping it looking sleek. Dispenser is equipped with lock and key and a simple on and off switch

Features and Benefits
