

cilio

Citrus Press / The Press Use & Care Instructions

Before the first use:

Wipe the non-removable parts with a damp cloth, clean the removable stainless steel parts (funnel and extractor) with dishwashing detergent and hot tap water or place in dishwasher.

Use:

Place fruit half on the raised cone and press the handle down.

Cleaning and care:

The removable stainless steel parts can be washed in a dishwasher. When washing by hand, do not use abrasives or scouring powders as these will mar the finish. Wipe down the inside of the non-removable stainless part (lid) using a damp cloth or towel.

1 year Warranty:

The manufacturer warrants to the original owner of the cilio Citrus Press or The Press that this product is free of manufacturing defects (in materials and workmanship) for one year.

Defective products may be returned by the original purchaser or any subsequent owner within the warranty period, postage pre-paid to Frieling USA, Inc.

Any items found to be defective will be repaired or replaced, at manufacturer's discretion. Should the defective item no longer be available, for whatever reason, an item of similar function and value will be substituted. This warranty is expressly not a money-back guarantee.

If your cilio Citrus Press / The Press is found to be defective in materials or workmanship, please contact us.
